ESRI USER CONFERENCE

National Maritime & Hydrography Events and Activities

The Esri User Conference (Esri UC) has many presentations and events with hundreds of topics covered. To help you find your way to the National Maritime & Hydrography sessions and events, we have prepared a more focused agenda.

National Mapping and Statistics Showcase

Visit the National Mapping & Statistics Showcase to connect with leading experts in aviation, maritime, national mapping, official statistics, geospatial ecosystems and SDI. Discover how geospatial authorities use GIS to produce fundamental and foundational information that addresses socioeconomic, security, and environmental challenges in government and society.
