

Esri Mining User Group (MUG) Sponsorship Package

July 7–12, 2013 at the San Diego Convention Center

Event sponsorship is your opportunity to show this very specific group of GIS users who you are and ways your company can help them.

"This is a Sunday afternoon gathering for the mining and geoscience community; including technical presentations and discussions. Join us for a chance to reconnect with colleagues, clients, vendors, and friends from across the industry. Light refreshments served."

-Geoff Wade and the Mining/Energy Team
