

National Security Social Sponsorship

Esri UC, July 8–12, 2013—San Diego Convention Center

We invite you to sponsor the second annual National Security Social at the 2013 Esri International User Conference (Esri UC), where leading-edge GIS users in the public safety, defense, homeland security, intelligence, and law enforcement communities will gather to network and socialize before the weeklong conference.

Event sponsorship is your opportunity to show this very specific group of national security professionals who you are and ways your company can help them.

In addition to the National Security Social, sponsorship opportunities are available supporting the Esri National Security Summit, the National Security Showcase, the Defense and Intelligence Executive Track, and defense and public safety special interest group meetings.

Contribution—\$5,000

10 Sponsorships Available

Social sponsorship includes the following:

- Signage at the event
- Inclusion in the industry flyer for conference and preconference marketing
- Recognition and appreciation in the event recap article in the *Esri News for Public Safety* newsletter (circulation 86,000+)
- Solution podcast posted to the industry page
- Your company's logo listed in a future *Esri News for Public Safety* newsletter column recognizing and thanking sponsors for supporting the social

Please contact **Brenda Martinez** (b_martinez@esri.com) if you are interested in this opportunity.
