

ArcGIS Online Services. ESRI, through its Web site, provides User with certain Standard and Premium data and/or imagery Services. For details on such Standard or Premium services, see <http://www.esri.com/software/arcgis/arcgisonline-services/agol-premium/index.html>.

TERMS AND CONDITIONS REQUIRED FOR USE OF THIRD-PARTY DATA AND/OR IMAGERY IN CONJUNCTION WITH ESRI ARCGIS ONLINE STANDARD SERVICES

ESRI agrees to make available to the User certain Standard ArcGIS Online Services(s) (hereinafter "Services") that may include datasets and/or Imagery owned by certain third-party suppliers ("Third-Party Data"). In the event User accesses or utilizes such Third-Party Data, User's use of such Third-Party Data will be governed, in addition to the terms and conditions of the applicable ArcGIS Use Agreement, and by the terms and conditions set forth below, and which may also be found in the Use of Data Restrictions page found at www.esri.com/legal.

Third Party Data and/or Imagery Use Terms:

None at this time.

TERMS AND CONDITIONS REQUIRED FOR USE OF THIRD-PARTY DATA AND/OR IMAGERY IN CONJUNCTION WITH ESRI ARCGIS ONLINE PREMIUM SERVICES

ESRI agrees to make available to the User certain Premium ArcGIS Online Services(s) (hereinafter "Services") that may include datasets and/or Imagery owned by certain third-party suppliers ("Third-Party Data"). In the event User accesses or utilizes such Third-Party Data, User's use of such Third-Party Data will be governed, in addition to the terms and conditions of the applicable ArcGIS Online Use Agreement, and by the terms and conditions set forth below, and which may also be found in the Use of Data Restrictions page found at www.esri.com/legal.

Third Party Data and/or Imagery Use Terms

The authorized use of any Third Party Data and/or Imagery contained in the Service(s) accessed by User shall be governed by the following terms and conditions:

- A. If User utilizes Third Party Data and/or Imagery owned and provided by i-cubed as part of User's access to the Service(s), then such use will be subject to the following terms and conditions:
1. User may use any data and/or imagery for User's own internal business purposes, and solely in conjunction with any ESRI ArcGIS product.
 2. User may cache the data and/or imagery on the client side for improved performance of the web-enabled application, or may delete the cache and access the image tiles from the server on an as needed basis.
 3. Data and/or any imagery downloads are not permitted, without the express prior written permission of ESRI. Additional terms and license fees will apply to any such use permission.
 4. In no event shall user resale any data and/or imagery provided by i-cubed.
- B. If User utilized Third Party Data and/or Imagery owned and provided by Microsoft as part of User's access to the Service(s), then such use will be governed by the following terms and conditions:
1. Upon User's consent to the applicable ArcGIS online Use Agreement, User expressly agrees that use of the any data and/or imagery provided by Microsoft as part of the Service(s) shall be governed by the terms and conditions of the Microsoft Terms of Use and Privacy Statement.
