Phone: 909-793-2853, ext. 1-4441
Fax: 909-307-3046

**Special Offer from
Esri Including a
Stratus® Fault-Tolerant
2600 Server with an
ArcGIS® for Server
Standard License for
US Customers Only**

**Offer Valid through
February 29, 2012**

Esri is pleased to extend a special offer within the United States. This offer consists of a Stratus Fault-Tolerant 2600 Server and ArcGIS for Server Standard software.

If you do not see the exact server configuration you are looking for, please call your local Esri regional office or Dean Garner at 909-793-2853, ext. 1-4441, for tailor-made solutions.

ArcGIS for Server Standard requires a database management system (DBMS) server. A Microsoft® SQL Database Server option is available on page 4 of this offer.

ArcGIS for Server Standard provides a comprehensive GIS server for spatial data management plus visualization (mapping) and spatial analysis. It also includes 2D mapping and 3D rendering (globe) services; browser-based editing capabilities; and a suite of related features such as geocoding, a gazetteer, and routing.

The server package available is

A Stratus 2600 Server including

- Intel® Xeon® E5504 2.0 GHz Quad Core Processor, 4 MB L2 cache
- 16 GB DDR3 (4 x 4 GB DIMMs) Memory
- 146 GB 2.5-inch 15K rpm Serial Attached SCSI (SAS) Disk Drive
- DVD-R/W
- ASN Modem
- Windows® Server 2008 64-bit Standard Edition Operating System
- Automated Uptime Layer for Windows
- fitServer 2600 JumpStart System Installation
- Getting Started Education Package
- [One-Year Total Assurance Service](#)

Stratus servers perform at five-nines or better availability in real-world customer installations. Stratus describes these downtime-preventing results as continuous availability. Stratus' Continuous Processing® technology stands a cut above high-availability alternatives that are intended to recover quickly from unplanned outages but do not prevent downtime from happening in the first place. Simpler operation is another decisive advantage—especially compared with clusters—because Continuous Processing capabilities are built into every Stratus server.

Esri
 380 New York Street
 Redlands, California 92373-8100
 Phone: 909-793-2853, ext. 1-4441
 Fax: 909-307-3046

TERMS OF THE OFFER

- This offer is valid only in the United States excluding Guam, Puerto Rico, and the Virgin Islands.
- This offer is only available as a bundled hardware/software system.
- Orders must be received at Esri by February 29, 2012.
- Delivery terms: 20–40 days after receipt of completed order and approval of credit. Manufacturer availability may change delivery terms.

ESRI SOFTWARE DELIVERY AND INSTALLATION

ArcGIS for Server is delivered via electronic download from Esri. Users will receive an e-mail communication with a token that directs them to their Esri Global Account. Customers that do **not** have an Esri Global Account must create one before they can use the token to access and download software from the Customer Care Portal. Existing customers that already have access to the Customer Care Portal will be able to download ArcGIS for Server. Official media is available on DVD for an additional fee. Esri® software installation services are available, if needed, and are included on page 5 of the quotes.

TRAINING

Please contact the Esri Learning Center at 909-793-2853, ext. 1-1585, for course information and a training schedule, and see page 5 of the quotes for training options and cost.

HOW TO ORDER

1. Complete the attached order form and credit application, if not previously on file with Esri.
2. Add other desired options.
3. Add any applicable sales tax (see order form).
4. Provide purchase order or other form of payment.
5. Send your completed order and credit application to your Esri regional office or

Esri
 Customer Service/Kelly Campos
 380 New York Street
 Redlands, CA 92373-8100
 Fax: 800-330-7053

6. Your hardware and software will be shipped to you 20–40 days after all paperwork has been completed and credit approved. Manufacturer availability may change delivery terms.

QUESTIONS?

Contact your Esri regional office regarding the terms of this offer or general questions.

Contact Dean Garner at 909-793-2853, ext. 1-4441, to discuss hardware options not provided in the attached quotation.

Contact Kelly Campos at 909-793-2853, ext. 1-1831, regarding the status of your order.

ESRI QUOTATION TERMS AND CONDITIONS

This quotation is valid until February 29, 2012. These prices and terms are valid only for items purchased and delivered within the United States excluding Guam, Puerto Rico, and the Virgin Islands.

This quotation information is proprietary and may not be copied or released other than for the express purpose of system selection and purchase. This information may not be given to outside parties or used for any other purpose without written consent from Esri.

ORDER PROCESS

The order process is initiated when Esri receives an original purchase order or some form of advance payment. Several additional documents (e.g., credit application, if not using credit card, and tax exemption certificate) are required to complete the order.

IMPORTANT! Collectively, these documents contain the authorizations and information necessary to ship proper versions of the software on the correct media. Please return them promptly to avoid unnecessary delays in shipping. Please return all documents by mail or express courier or as otherwise directed.

Please show the following remittance address on your purchase order:

Esri, File #54630, Los Angeles, CA 90074-4630

DELIVERY

FOB ORIGIN

Software: Allow 30 days from Esri's receipt of purchase order, signed software license agreement(s), and other documents, as required. Esri software license agreements may be accessed at esri.com/legal.

Hardware: Manufacturer's terms apply. Lead times depend on make/models purchased.

Standard delivery method is surface carrier for hardware. Actual delivery method may vary depending on weight. Other service is available for an additional fee (e.g., overnight delivery).

PAYMENT TERMS

Net 30 days, on approved credit.

WARRANTY

Warranty and service are provided by manufacturer(s).

TAXES

Prices quoted do not include applicable sales or use taxes unless so stated. Esri reserves the right to collect sales tax assessed by states as required by law. Esri will add state sales tax to the invoice unless Esri receives proof with the order that your organization is tax exempt or pays state tax directly.

Esri collects and pays sales tax in Alabama, Arizona, California, Colorado, Connecticut, Florida, Georgia, Hawaii, Illinois, Indiana, Kansas, Maryland, Massachusetts, Michigan, Minnesota, Missouri, Nebraska, Nevada, New Jersey, New Mexico, New York, North Carolina, North Dakota, Ohio, Oklahoma, Pennsylvania, South Carolina, Tennessee, Texas, Utah, Vermont, Virginia, Washington, and Wisconsin. In preparing your budget, please allow for applicable sales tax. Esri reserves the right to collect sales tax assessed by additional states as required by law.
