Please choose your category at the beginning of registration. Accommodations are available at the conference venue, Le Meridien Lav Hotel, with special rates per night. Be aware that rooms at Le Meridien Lav Hotel are limited. Early registration and booking are recommended.

### Registrations for Individual Attendees

For individual registration, please choose full conference registration and accommodations in a single room. A receipt will be sent to the participant's company once payment is received.

### Registration for Two Conference Attendees Sharing a Room

Full conference registration is available for two participants sharing a double room. Both participants should register for the conference and send an e-mail to the Esri EUC registration team ([euc2014-registration@gdi.net](mailto:euc2014-registration@gdi.net)), including their names and registration numbers, by which appropriate hotel accommodation will be booked. After the registration process is complete and payment is received, confirmation will be sent to both participants and a receipt will be addressed to their company.

### Registration for Participants Sharing a Double Room with a Guest

Guests of attendees are welcome to purchase a ticket to the evening social events, but they may not participate in other conference activities. Guest tickets are available during registration. A receipt will be addressed to the participant's company.

## Additional Nights at the Hotel

During the registration process, you can book your stay at the conference hotel for October 10–16. If you want to book additional nights before October 10 and/or after October 16, please contact the Esri EUC registration team ([euc2014-registration@gdi.net](mailto:euc2014-registration@gdi.net)). All nights are subject to availability.

## Payment

Upon completing registration and booking your accommodations, an e-mail will be sent with instructions for making a wire transfer payment. After your payment is received by the Esri EUC registration team, you will receive a confirmation e-mail that will allow you to participate at Esri EUC 2014.
