

## GIS Managers

The Esri User Conference has many presentations and events with hundreds of topics covered. To help you find your way to the sessions and events more specific to your role as a GIS manager, we have prepared a more focused agenda.

### **State and Local Government Social**

Wednesday, June 29, 5:30 PM–7:00 PM

Promenade Plaza, Hilton Bayfront Hotel

### **Smart Communities Neighborhood**

Tuesday, June 28, 9:00 AM–6:00 PM

Wednesday, June 29, 9:00 AM–6:00 PM

Thursday, June 30, 9:00 AM–1:30 PM

Ground Level Exhibit Hall B, San Diego Convention Center (SDCC)

The Smart Communities Neighborhood is your one stop shop to learn about how GIS helps you build a smarter community. Within the Neighborhood you will find areas dedicated to specific industries and workflows including: smart planning, economic development, healthy communities, land records, public works, smart infrastructure, and transportation.

The Smart Communities Neighborhood is a great place to:

- Share your story
- Learn from your peers
- See what's new in GIS for government
- Build GIS plans for your organization
- Meet Esri staff

Join us at UC and let us help you build a smarter and more efficient organization.
