

# ESRI USER CONFERENCE

## Community Development Events and Activities

The Esri International User Conference has many presentations and events with hundreds of topics covered. To help you find your way to the Economic Development and Urban & Regional Planning events, we have prepared a more focused agenda.

### State, Local, and Provincial Government Island

Tuesday, July 21, 9:00 AM–6:00 PM

Wednesday, July 22, 9:00 AM–6:00 PM

Thursday, July 23, 9:00 AM–1:30 PM

Ground Level Exhibit Hall D, San Diego Convention Center (SDCC)

The State, Local and Provincial Government Island is your one stop shop to learn about how GIS helps you build a smarter community. Esri's helpful staff will be available to help you build a plan that will make your organization more transparent, efficient, productive, and collaborative. Our goal is to help you address challenges, identify solutions that meet your organizational goals, and discuss best practices.

In the State, Local, and Provincial Island you can learn about emerging trends such as responsive communities, economic growth, and smart planning and development.

The State, Local, and Provincial Government Island is a great place to:

- Share your story
- Learn from your peers
- See what's new in GIS for government
- Build GIS plans for your organization
- Meet Esri staff

SDCC = San Diego Convention Center  
Please note: All listings subject to change; not every paper or event may be presented here.
