

ESRI USER CONFERENCE

Water Events and Activities

The Esri User Conference has many presentations and events with hundreds of topics covered. To help you find your way to the Water sessions and events, we have prepared a more focused agenda.

Esri Water/Wastewater Meeting

Saturday, July 18 8:00am – 5:00pm

Room 29 A/B, SDCC

Join your peers and Esri staff for a full day of water, wastewater and stormwater GIS discussions.

Esri Water Resources (Hydro) Meeting

Sunday, July 19 8:00am – 5:00pm

Room 29 A/B, SDCC

Join your peers and Esri staff for a full day of discussion focused on Water Resources GIS.

Esri Water Sector Social

Sunday, July 19 5:30pm – 7:30pm

Plaza Terrace, SDCC

The inaugural Esri Water Sector Social invites all water industry professionals, including water and water-resources professionals, who share a passion for GIS. New this year, we are having a more focused group of water and water resources professionals for an exclusive opportunity to network and engage with your peers and Esri experts.

Water Envisioning Center

Tuesday, July 21 - Wednesday July 22 11:30am – 12:00pm & 1:30pm – 2:00pm and Thursday, July 23 10:30am – 11:00am

Envisioning Center, SDCC

Join Esri's Water Practice to see how a water utility can deploy ArcGIS as an organization wide mapping and GIS platform to conserve water, capture revenue, reduce leakage, respond faster during emergencies and communicate better with customers.
