---------	----	---------------------------------------	-----------------

We invite you to meet the Esri utilities team in the Industry Island in Exhibit Hall C. Explore ArcGIS for Electric and ArcGIS for Gas solutions. See live demos of location analytics and ArcGIS Online. Discuss with experts best practices for deploying Esri in utility organizations.

### Industry Solutions Showcase Exhibit Hours

Tuesday, July 15	9:00 AM–6:00 PM	SDCC, Exhibit Hall C
Wednesday, July 16	9:00 AM–6:00 PM	SDCC, Exhibit Hall C
Thursday, July 17	9:00 AM–1:30 PM	SDCC, Exhibit Hall C

### Electric/Gas Data Health Checks

Schedule a 45-minute review and analysis of your data with our utility experts. In addition to examining data accuracy, they will use ArcGIS Data Reviewer for Desktop to run diagnostics and evaluate overall data quality. If you maintain parcel data, they will also be able to assess whether or not it is ready to be loaded into the parcel fabric. To schedule an appointment at the Industry Solutions Showcase, e-mail [datareviewer@esri.com](mailto:datareviewer@esri.com) with your name, organization, contact information, type of data you're bringing, and preferred date and time.
