

# Esri User Conference

July 14–18, 2014 | San Diego Convention Center

## Transportation Meetings and Activities

The Esri User Conference has many presentations and events with hundreds of topics covered. To help you find your way to the Transportation sessions and events, we have prepared a more focused agenda.

### Industry Solutions Island Exhibit Hours

Tuesday, July 15	9:00 AM–6:00 PM	SDCC, Exhibit Hall C
Wednesday, July 16	9:00 AM–6:00 PM	SDCC, Exhibit Hall C
Thursday, July 17	9:00 AM–1:30 PM	SDCC, Exhibit Hall C

Come visit the Industry Solutions Island and learn all about how ArcGIS is being used as a complete solution in Transportation. Share your success stories with Esri industry experts and see the latest software demonstrations, presentations, and case studies related to transportation. Collaborate comfortably in the open environment of the industry lounge, allowing you to connect and network with individuals who have firsthand knowledge of GIS in transportation.

### Esri Roads and Highways Data Health Checks

Schedule a 45-minute review and analysis of your data from our roads and highways experts. In addition to examining data accuracy, they will use ArcGIS Data Reviewer for Desktop to run diagnostics and evaluate overall data quality. To schedule an appointment, e-mail [datareviewer@esri.com](mailto:datareviewer@esri.com) with your name, organization, contact information, type of data you're bringing, and preferred date and time.
