

# Stand-Out Public Works Solutions Providers

## Sponsor the Esri Public Works SIG Luncheon

July 21, 2015, at the San Diego Convention Center

Sponsor the Esri Public Works Special Interest Group (SIG) luncheon as a way to get new customers. The annual Public Works SIG luncheon is a huge event that gives the public works industry the opportunity to discuss common issues—issues that your products and services were designed to solve.

Sponsors are currently being sought to help defray the cost of providing free box lunches to all meeting attendees. Feed them lunch and solutions. Be a sponsor.

### Esri Public Works SIG Luncheon

Tuesday, July 21, 2015

NOON–1:00 PM

San Diego Convention Center

### Sponsorship Is Only \$450

#### Benefits

- Your company logo will be displayed in the pre-meeting presentation.
- If you are also a conference exhibitor, your booth number will be included in this presentation.
- Your logo will be on the Public Works Industry flyer given to all Esri UC attendees.
- Verbal acknowledgment of your support will be made before the meeting.
- Your logo will be included on all public works e-blasts and the web page promoting the SIG Luncheon.

Please contact Maria Lamas ([mlamas@esri.com](mailto:mlamas@esri.com)) if you are interested in this opportunity.

Understanding our world.
