

Esri Hardware and Data Offerings

Essential Components Designed for an Enterprise GIS

A variety of hardware and data offers are available for Esri customers. Take advantage of these cost-effective solutions to configure or upgrade your geographic information system (GIS). Esri has desktop, server, mobile, and data products that are prepackaged with ArcGIS® software. Custom hardware-only configurations are also available for existing Esri customers.

ArcGIS for Desktop

Workstation or Notebook with an ArcGIS for Desktop License	Dell Computer Corp.	ArcGIS for Desktop Advanced with a Dell Workstation or Notebook LINK
		ArcGIS for Desktop Standard with a Dell Workstation or Notebook LINK
		ArcGIS for Desktop Basic with a Dell Workstation or Notebook LINK
	Hewlett-Packard Co.	ArcGIS for Desktop Advanced with an HP Workstation or Notebook LINK
		ArcGIS for Desktop Standard with an HP Workstation or Notebook LINK
		ArcGIS for Desktop Basic with an HP Workstation or Notebook LINK
Workstation with an Esri® CityEngine® License	Dell Computer Corp.	Esri CityEngine Advanced with a Dell Workstation LINK
Tablet PC/Ruggedized Tablet PC with an ArcGIS for Desktop license	Motion Computing	ArcGIS for Desktop Advanced with a Motion Computing F5t Rugged IP54 Tablet PC LINK
		ArcGIS for Desktop Standard with a Motion Computing F5t Rugged IP54 Tablet PC LINK
		ArcGIS for Desktop Basic with a Motion Computing F5t Rugged IP54 Tablet PC LINK

ArcGIS for Server (Windows)

Turnkey Server Solution preinstalled and configured with ArcGIS for Server	Cutting Edge	ArcGIS for Server Enterprise Advanced with a Cutting Edge Server LINK
		ArcGIS for Server Enterprise Standard with a Cutting Edge Server LINK
		ArcGIS for Server Enterprise Basic with a Cutting Edge Server LINK
		ArcGIS for Server Workgroup Advanced with a Cutting Edge Server LINK
		ArcGIS for Server Workgroup Standard with a Cutting Edge Server LINK
Enterprise Converged Infrastructure Solution private cloud	VCE	Vblock for ArcGIS LINK
Server with an ArcGIS for Server License	Dell Computer Corp.	ArcGIS for Server Enterprise Advanced with a Dell Server LINK
		ArcGIS for Server Enterprise Standard with a Dell Server LINK
		ArcGIS for Server Enterprise Basic with a Dell Server LINK
		ArcGIS for Server Workgroup Advanced with a Dell Server LINK
		ArcGIS for Server Workgroup Standard with a Dell Server LINK
	Hewlett-Packard Co.	ArcGIS for Server Enterprise Advanced with an HP Server LINK
		ArcGIS for Server Enterprise Standard with an HP Server LINK
		ArcGIS for Server Enterprise Basic with an HP Server LINK
		ArcGIS for Server Workgroup Advanced with an HP Server LINK
ArcGIS for Server Workgroup Standard with an HP Server LINK		

ArcGIS for Server (Linux)

Turnkey Server Solution preinstalled and configured with ArcGIS for Server	Cutting Edge	ArcGIS for Server Enterprise Advanced with a Cutting Edge Server LINK
		ArcGIS for Server Enterprise Standard with a Cutting Edge Server LINK
		ArcGIS for Server Enterprise Basic with a Cutting Edge Server LINK

Cloud

ArcGIS for Server in the Cloud hosted cloud infrastructure	Amazon Web Services	ArcGIS for Server Cloud Bundle LINK

ArcGIS for Mobile

GeoCollector™ Series high accuracy data collection	Trimble	GeoCollector for ArcPad LINK
		GeoCollector for ArcGIS for Windows Mobile LINK
Field Data Collection/GPS Receiver with ArcPad®	Trimble	ArcPad with a Trimble Juno 3B Rugged IP54 Handheld GPS Receiver LINK
		ArcPad with a Trimble Juno 5B Rugged IP65 Smartphone-Inspired Handheld GPS Receiver LINK
		ArcPad with a Trimble Nomad 900G Ultra-rugged Handheld LINK
		ArcPad with a Trimble Nomad 900G Ultra-rugged Handheld and GPS Pathfinder Pro 6H or Pro 6T Receiver LINK
	Juniper Systems	ArcPad with a Juniper Mesa Rugged Notepad LINK
	F4Devices	ArcPad with an F4Devices Flint Rugged GPS Handheld LINK
Field Data Collection/GPS Receiver for ArcGIS for Windows Mobile	Trimble	Trimble Juno 3D Rugged IP54 Handheld GPS Receiver for Use with ArcGIS for Windows Mobile LINK
		Trimble Juno 3B Rugged IP54 Handheld GPS Receiver for Use with ArcGIS for Windows Mobile for ArcGIS for Desktop LINK
		Trimble Juno 5D Rugged IP65 Smartphone-Inspired Handheld GPS Receiver for use with ArcGIS for Windows Mobile LINK
	Juniper Systems	Juniper Mesa Geo 3G Rugged Notepad for Use with ArcGIS for Windows Mobile for ArcGIS for Server LINK
		Juniper Mesa Geo Rugged Notepad for Use with ArcGIS for Windows Mobile for ArcGIS for Desktop LINK
	F4Devices	F4Devices Flint Rugged GPS Handheld for use with ArcGIS for Windows Mobile for ArcGIS for Desktop LINK
F4Devices Flint Rugged GPS Handheld for use with ArcGIS for Windows Mobile for ArcGIS for Server LINK		
Tablet PC/Ruggedized Tablet PC with ArcPad	Trimble	ArcPad with a Trimble Yuma 2 Rugged Tablet Computer LINK
		ArcPad with a Trimble Yuma 2 Rugged Tablet Computer and GPS Pathfinder Pro 6H or Pro 6T Receiver LINK
	Motion Computing	ArcPad with a Motion Computing CL910 Rugged IP52 Tablet PC LINK
		ArcPad with a Motion Computing F5t Rugged IP54 Tablet PC LINK
Tablet PC/Ruggedized Tablet PC for ArcGIS for Windows Mobile	Motion Computing	Motion Computing CL910 Rugged IP52 Tablet PC for Use with ArcGIS for Windows Mobile LINK
		Motion Computing F5t Rugged IP54 Tablet PC for Use with ArcGIS for Windows Mobile LINK

Data

Data Appliance for ArcGIS	Cutting Edge	Data Appliance for ArcGIS for Windows (Server Bundle) LINK
		Data Appliance for ArcGIS for Windows LINK
ArcGIS for Imagery Data Management Appliance	Cutting Edge	ArcGIS for Imagery Data Management Appliance LINK

Hardware Peripherals

Camera	Ricoh	Ricoh GPS-Ready Camera with GPS-Photo Link LINK
