A special offer of a Motion Computing CL910 Rugged IP52 Tablet PC for Use with ArcGIS® for Windows® Mobile for US customers only.

Package Pricing

| Item # | Package | Unit Price |
|--------|---|------------|
| 132207 | Five Motion Computing CL910 Tablet PCs (64 GB Solid State Drive version) for use with ArcGIS for Windows Mobile. | \$6,795 |
| 132210 | One Motion Computing CL910 Tablet PC (64 GB Solid State Drive version) for use with ArcGIS for Windows Mobile. | \$1,450 |
| 132241 | Five Motion Computing CL910 Tablet PCs (128 GB Solid State Drive version) for use with ArcGIS for Windows Mobile. | \$7,500 |
| 132242 | One Motion Computing CL910 Tablet PC (128 GB Solid State Drive version) for use with ArcGIS for Windows Mobile. | \$1,575 |

Motion Computing CL910 Tablet PC Features

The Motion Computing CL910 Rugged IP52 Tablet PC is durable, lightweight, and purposefully built for mobile business. Running Microsoft® Windows 7 Professional (32-bit) and the Intel® Atom™ N2600 Dual Core Processor, the CL910 provides increased power and performance while maintaining a battery life of up to seven hours. Weighing just 2.2 pounds (1 kg), the CL910 provides the capabilities, applications, accessories, and connectivity mobile workers need for on-the-go productivity.

- Genuine Windows 7 Professional (32-bit)
- Intel Atom N2600 Dual Core processor (1.6 GHz)
- Lightweight—only 2.2 lb.
- MIL-STD-810G tested for drops and bumps
- Works in challenging field conditions (IP52 rated; water, dust, and splash resistant)
- 10.1-inch screen featuring HD 1366 x 768 resolution delivering bright visibility with both Touch and Pen input
- Up to 7 hours battery life
- 64 GB or 128 GB Solid State Drive (SSD)
- Two cameras: 3 megapixel (MP) rear facing camera and 1.3 MP front facing web camera
- Built-in Mobile Broadband (WWAN) with GPS powered by Gobi
- Built-in wireless connectivity with Wi-Fi 802.11 and Bluetooth® 4 Module
- Gorilla® Glass for increased display damage resistance

Note: Cellular service is not included or activated and is the customer's responsibility.

ArcGIS for Windows Mobile

ArcGIS for Windows Mobile is the premier solution for GIS professionals who need to deploy and manage mobile workers with intuitive mobile mapping and GIS tools in the field, providing them with the ability to visualize, search, locate, collect, inspect, and communicate using up-to-date geographic data and maps. The ArcGIS for Windows Mobile product includes four key technologies:

- Ready-to-Deploy Applications
- ArcGIS Runtime SDK for Windows Mobile
- Mobile Project Center
- Mobile Geoprocessing Tools

Support and Warranty

Motion Computing CL910 Tablet PC Support can be obtained at 1-866-322-9783, option 9. Hours: 7:00 a.m.–8:00 p.m. Monday–Friday (CST). Or fill out the support [e-mail form](#).

The warranty period for Motion Tablet PC Products is one year from the date of product purchase, or longer if you have purchased an extended warranty; see details on page 12.

Motion Computing CL910 Tablet PC Options

| Item # | Options | Unit Price |
|--------|--|------------|
| 132251 | CL-Series Auto/Air AC & DC Adapter with US Power Cord. Operate your Motion Tablet PC and charge your battery while traveling. The Motion DC Auto/Plane Adapter plugs into a standard automobile cigarette lighter or airline DC plug and includes a carrying case for travel. Built-in power level filtering and short circuit protection keep your Tablet PC safe from power fluctuations and unexpected power surges. | \$150 |
| 132252 | CL-Series Digitizer Keyboard Portfolio. The CL-Series Keyboard Portfolio is ideal for mobile professionals. Designed specifically for the CL-Series Tablet PC, the CL-Series Keyboard Portfolio has a built-in easel, which displays the Tablet at an ideal viewing angle. In addition, the Keyboard Portfolio has a built-in Bluetooth keyboard that can be removed from the case, further increasing its functionality and usability. The CL-Series Keyboard Portfolio is not optimized for use on an airplane. | \$115 |
| 132253 | CL-Series Silicone Slip Cover. The CL-Series Silicone Slip Cover provides protection from scratches that can occur during everyday use. With its sleek and form-fitting design, the CL-Series Silicone Slip Cover adds virtually no extra weight or bulk to the CL910. Rubberized for additional traction, the CL-Series Silicone Slip Cover is ideal for computing while standing or walking. | \$42 |
| 132254 | CL-Series Carry Sleeve. The CL-Series Carry Sleeve is a professional-grade carrying case designed specifically for your CL-Series Tablet PC. The adjustable and removable shoulder strap provides a variety of carrying options. Located on the back of the Carry Sleeve, the X-Strap provides users with a secure hold on the tablet, increasing stability and freedom of movement. The CL-Series Carry Sleeve allows users to easily carry and access their CL-Series Tablet PCs and compute while standing or walking and is ideal for mobile professionals who are always on the go. | \$132 |
| 132255 | CL-Series X-Strap. The CL-Series X-Strap is a simple, lightweight carrying solution designed specifically for the CL-Series Tablet PC. The CL-Series X-Strap utilizes the posts and screws from the J-Series and CL-Series Work Anywhere Kit to attach two flexible straps directly onto the back of the CL-Series Tablet PC, providing users with a secure grip on the tablet, increasing stability and freedom of movement. | \$50 |
| 132256 | CL-Series Carry Kit. The CL-Series Carry Kit offers users who do not require a full carrying case a comfortable and convenient way to carry | \$51 |

| | | |
|---------------|--|--------------|
| | the CL-Series Tablet PC. The Carry Kit includes a handle, shoulder strap, and CL-Series attachment posts. Users can securely attach either the shoulder strap or the handle directly to any CL-Series Tablet PC. | |
| 132258 | CL-Series Docking Station. The CL-Series Docking Station transforms your CL-Series Tablet PC into a full-featured desktop computing and charging solution. The dock's angle provides easy use of pen or touch on the docked tablet. External ports support Ethernet and all your favorite USB accessories such as a full-size keyboard, mouse, printer, or external display. The docking station allows fast and easy transitions between desktop and mobile usage scenarios. AC Power Pack included. | \$190 |
| 132260 | CL-Series USB Keyboard. This durable USB Keyboard easily connects to any Motion Tablet PC, providing a functioning 104/105 key typing experience for all desktop and word-processing environments. With its ergonomically designed wrist pad and integrated touch pad, the keyboard provides a comfortable user experience in a compact size. Docking Station is required for USB connectivity to the C5 Tablet PC. | \$50 |
| 132261 | CL-Series Portfolio. The CL-Series Portfolio is a professional-grade carrying case designed specifically for the CL-Series Tablet PCs and is ideal for mobile business professionals who frequently shift between sitting, standing, and walking while computing. The built-in hand strap secures the tablet to the user's hand and provides extra stability. The CL-Series Portfolio also doubles as a tablet stand with two viewing angles in landscape orientation, ideal for both demonstrations and content creation. | \$43 |
| 132262 | CL-Series Swivel Portfolio. Professional-grade carrying case doubles as a tablet stand, with 360-degree rotation for multiple viewing angles in both portrait and landscape orientations. | \$60 |
| 132263 | CL-Series 3-inch DC to DC Breakaway Cable. The 3-inch DC to DC Breakaway Cable is designed to break away from your Motion Tablet PC in the event you attempt to move the tablet while it is still plugged in. The cable will break away, thereby preventing damage to the tablet. | \$20 |
| 132264 | CL-Series Digitizer Pen. Write on your Tablet PC with the ease of standard paper and pencil by using the digitizer pen for your CL-Series Tablet PCs. The recessed button minimizes the risk of accidentally right-clicking while using the pen. | \$25 |
| 132265 | CL-Series Digitizer Pen Tips (5-Pack). Get replacement pen tips for your CL-Series Digitizer Pen (5 pen tips per package). | \$14 |
| 132223 | CL-Series Micro-HDMI to VGA Adapter. The Micro-HDMI to VGA Adapter provides mobile professionals with the ability to connect the CL910 Tablet PC to a projector to display information during presentations, meetings, or sales training. For optimal results, the Micro-HDMI to VGA Adapter should only be used for projectors and XGA and 1080P or lower resolution monitors. | \$60 |

Fax: 909-307-3046

| | | |
|---------------|---|-------------|
| 132224 | CL-Series USB to Ethernet Adapter. The USB to Ethernet Adapter converts the USB port into a 10/100/1000 Mbps Ethernet port, allowing users to connect directly to an Ethernet network from the CL910 Tablet PC. For installation of the USB to Ethernet Adapter, you must install a software driver provided on a CD that comes with this product. If you do not have a CD-ROM drive, you can download the software driver here . | \$40 |
| 132225 | CL-Series Protective Display Film (3-Pack). The CL-Series Protective Display Film is an optically clear, thin protective film with a coating designed to reduce reflections and give a clear, sharp display view even in brightly lit conditions. The Film works with touch screen and stylus displays, further protecting the tablet display from everyday scratches. The protective Film can be replaced at any time, and its special adhesive will not leave a sticky residue behind when removed. The package includes three films and one squeegee for installation. | \$60 |
| 132227 | CL-Series AC Power Pack 3 Prong—US. Avoid forgetting your AC Power Adapter and power cord when traveling or working from home. A second AC Power Pack provides the convenience of working from multiple locations without the fuss of packing up the power sources for your Motion Tablet PC. The AC Power Pack is great for travel. | \$40 |
| 132473 | CL-Series Protective Display Cloth. Keep your display clean and smudge free with an approved wiping cloth. These cloths are specially designed to remove dirt and skin oils without damaging the display surface. | \$9 |

ESRI QUOTATION TERMS AND CONDITIONS

These prices and terms are valid only for items purchased and delivered within the United States excluding Guam, Puerto Rico, and the Virgin Islands.

This quotation information is proprietary and may not be copied or released other than for the express purpose of system selection and purchase. This information may not be given to outside parties or used for any other purpose without written consent from Esri.

ORDER PROCESS

The order process is initiated when Esri receives an original purchase order or some form of advance payment. Several additional documents (e.g., credit application, if not using credit card, and tax exemption certificate) are required to complete the order.

IMPORTANT! Collectively, these documents contain the authorizations and information necessary to ship proper versions of the software on the correct media. Please return them promptly to avoid unnecessary delays in shipping. Please return all documents by mail or express courier or as otherwise directed.

Please show the following remittance address on your purchase order:

Esri, File #54630, Los Angeles, CA 90074-4630

DELIVERY

FOB ORIGIN

Software: Allow 30 days from Esri's receipt of purchase order, signed software license agreement(s), and other documents, as required. Esri software license agreements may be accessed at esri.com/legal.

Hardware: Manufacturer's terms apply. Lead times depend on make/models purchased.

Standard delivery method is surface carrier for hardware. Actual delivery method may vary depending on weight. Other service is available for an additional fee (e.g., overnight delivery).

PAYMENT TERMS

Net 30 days, on approved credit.

WARRANTY

Warranty and service are provided by manufacturer(s).

TAXES

Prices quoted do not include applicable sales or use taxes unless so stated. Esri reserves the right to collect sales tax assessed by states as required by law. Esri will add state sales tax to the invoice unless Esri receives proof with the order that your organization is tax exempt or pays state tax directly.

Esri collects and pays sales tax in Alabama, Arizona, California, Colorado, Connecticut, Florida, Georgia, Hawaii, Illinois, Indiana, Kansas, Maryland, Massachusetts, Michigan, Minnesota, Missouri, Nebraska, Nevada, New Jersey, New Mexico, New York, North Carolina, North Dakota, Ohio, Oklahoma, Pennsylvania, South Carolina, Tennessee, Texas, Utah, Vermont, Virginia, Washington, and Wisconsin. In preparing your budget, please allow for applicable sales tax. Esri reserves the right to collect sales tax assessed by additional states as required by law.

¹Tested by independent, third party lab to MIL-STD-810G and IP-52 specifications. Accidental damage not covered under standard warranty. Optional additional warranty protection available.

²Weight represents approximate system weight. Actual system weight may vary depending on component and manufacturing variability.

³Battery life varies by configuration, applications in use, utilized features and operating conditions. Maximum battery capacity decreases with time and use. Motion battery life estimates based on MobileMark[®] 2007 performance testing.

⁴Approximate charging time.

Specifications subject to change without notice.

Product Limited Warranty Specifications

General

This Limited Warranty applies to the Motion-branded hardware products sold by or leased from Motion Computing, Inc., its worldwide subsidiaries, affiliates, authorized resellers, or country distributors (collectively referred to in this Limited Warranty as "Motion") with this Limited Warranty ("Motion Product").

These terms and conditions constitute the complete and exclusive warranty agreement between you and Motion regarding the Motion Product you have purchased or leased. These terms and conditions supersede any prior agreements or representations, including representations made in Motion sales literature or advice given to you by Motion or an agent or employee of Motion that may have been made in connection with your purchase or lease of the Motion Product. No change to the conditions of this Limited Warranty is valid unless it is made in writing and signed by an authorized representative of Motion.

Warranty Disclaimer

EXCEPT AS EXPRESSLY SET FORTH IN THIS LIMITED WARRANTY AND TO THE GREATEST EXTENT ALLOWED BY LAW, MOTION MAKES NO OTHER REPRESENTATIONS, WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED REPRESENTATIONS, WARRANTIES OR CONDITIONS OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT, AND NON-INTERFERENCE. MOTION DOES NOT WARRANT THAT YOUR USE OF THE MOTION PRODUCT WILL BE UNINTERRUPTED OR ERROR-FREE. ANY IMPLIED WARRANTIES THAT MAY BE IMPOSED BY LAW ARE LIMITED IN DURATION TO THE LIMITED WARRANTY PERIOD, TO THE GREATEST EXTENT ALLOWED BY LAW. SOME STATES OR COUNTRIES DO NOT ALLOW A LIMITATION ON HOW LONG AN IMPLIED WARRANTY LASTS OR THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES FOR CONSUMER PRODUCTS. IN SUCH STATES OR COUNTRIES, SOME EXCLUSIONS OR LIMITATIONS OF THIS LIMITED WARRANTY MAY NOT APPLY TO YOU.

Warranty Period

The warranty period for Motion Tablet PC Products is one (1) year from the date of product purchase or longer if you have purchased an extended warranty. For the Motion F5-Series Tablet PCs, the warranty period is three (3) years from the date of product purchase. The Limited Warranty Period starts on the date of purchase or lease from Motion. Your dated sales or delivery receipt, showing the date of purchase or lease of the product, is your proof of the purchase or lease date. You may be required to provide proof of purchase or lease as a condition of receiving warranty service.

Warranty Coverage

Motion warrants that the Motion Product and all the internal components of the product that you have purchased or leased from Motion are free from defects in materials or workmanship under normal use during the Limited Warranty Period. You are entitled to warranty service according to the terms and conditions of this document if a repair to your Motion Product is required within the Limited Warranty Period. This Limited Warranty extends only to the original purchaser or lessee of this Motion Product and is not transferable to anyone who obtains ownership or use of the Motion Product from the original purchaser or lessee.

Repair or Replacement

Motion products are manufactured using new materials or new and used materials equivalent to new in performance and reliability. Spare parts may be new or equivalent to new. Spare parts are warranted to be free from defects in material or workmanship for ninety (90) days or for the remainder of the Limited Warranty Period of the Motion Product in which they are installed, whichever is longer.

During the Limited Warranty Period, Motion will repair or replace the defective component parts or the Motion Product. All component parts or hardware products removed under this Limited Warranty become the property of Motion. The replacement part or product takes on either the Limited Warranty status of the removed part or product or the ninety (90) day limited warranty of the spare part. In the unlikely event that your Motion Product has a recurring failure, Motion, at its discretion, may elect to provide you with a replacement unit of Motion's choosing that is at least equivalent to your Motion Product in hardware performance. Motion reserves the right to elect, at its sole discretion, to give you a refund of your purchase price or lease payments (less interest) instead of a replacement. **THIS IS YOUR EXCLUSIVE REMEDY FOR DEFECTIVE PRODUCTS. HOWEVER YOU MAY ALSO HAVE OTHER RIGHTS THAT MAY VARY FROM STATE TO STATE OR FROM COUNTRY TO COUNTRY.**

Software and Data

YOU SHOULD MAKE PERIODIC BACKUP COPIES OF THE DATA STORED ON YOUR HARD DRIVE OR OTHER STORAGE DEVICES AS A PRECAUTION AGAINST POSSIBLE FAILURES, ALTERATION, OR LOSS OF THE DATA. BEFORE RETURNING ANY UNIT FOR SERVICE, BE SURE TO BACK UP DATA AND REMOVE ANY CONFIDENTIAL, PROPRIETARY, OR PERSONAL INFORMATION. MOTION IS NOT RESPONSIBLE FOR DAMAGE TO, LOSS OF, OR DISCLOSURE OF ANY PROGRAMS, DATA, OR REMOVABLE STORAGE MEDIA. MOTION IS NOT RESPONSIBLE FOR THE RESTORATION OR REINSTALLATION OF ANY PROGRAMS OR DATA OTHER THAN SOFTWARE INSTALLED BY MOTION WHEN THE PRODUCT IS MANUFACTURED.

MOTION DOES NOT WARRANT SOFTWARE PRODUCTS, INCLUDING ANY SOFTWARE PRODUCTS OR THE OPERATING SYSTEM PREINSTALLED BY MOTION. Motion's only obligations with respect to software distributed by Motion under the Motion brand name are set forth in the applicable end-user license or program license agreement. Non-Motion hardware and software products are provided "AS IS." However, non-Motion manufacturers, suppliers, or publishers may provide their own warranties directly to you.

Warranty Exclusions

This Limited Warranty does not extend to:

- (a) Expendable parts;
- (b) Any product from which the serial number has been removed or altered;
- (c) Cosmetic damage or ordinary wear and tear;
- (d) Damage or non-functionality that results from (i) failure to follow the instructions that came with the product; (ii) accident, misuse, abuse, or other external causes; (iii) operation outside the usage parameters stated in the then current user documentation for the product; or (iv) use of parts not manufactured or sold by Motion; or

(e) Damage or non-functionality due to modifications or service by anyone other than (i) Motion, (ii) a Motion authorized service provider, or (iii) your own installation of end-user replaceable Motion or Motion-approved parts.

Limitation of Liability

IF YOUR MOTION PRODUCT FAILS TO WORK AS WARRANTED ABOVE, YOUR SOLE AND EXCLUSIVE REMEDY SHALL BE REPAIR OR REPLACEMENT. MOTION'S MAXIMUM LIABILITY UNDER THIS LIMITED WARRANTY OR RELATED IN ANY WAY TO THE MOTION PRODUCT IS EXPRESSLY LIMITED TO THE LESSER OF THE PRICE YOU HAVE PAID FOR THE PRODUCT OR THE COST OF REPAIR OR REPLACEMENT OF ANY HARDWARE COMPONENTS THAT MALFUNCTION IN CONDITIONS OF NORMAL USE.

MOTION SHALL NOT BE LIABLE FOR ANY DAMAGES CAUSED BY THE PRODUCT OR THE FAILURE OF THE PRODUCT TO PERFORM, INCLUDING ANY LOST PROFITS OR SAVINGS OR SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES. MOTION SHALL NOT BE LIABLE FOR ANY CLAIM MADE BY A THIRD PARTY OR MADE BY YOU FOR A THIRD PARTY.

THIS LIMITATION OF LIABILITY APPLIES WHETHER DAMAGES ARE SOUGHT, OR A CLAIM MADE, UNDER THIS LIMITED WARRANTY OR AS A TORT CLAIM (INCLUDING NEGLIGENCE AND STRICT PRODUCT LIABILITY), A CONTRACT CLAIM, OR ANY OTHER CLAIM. THIS LIMITATION OF LIABILITY CANNOT BE WAIVED OR AMENDED BY ANY PERSON. THIS LIMITATION OF LIABILITY WILL BE EFFECTIVE EVEN IF MOTION KNEW OR SHOULD HAVE KNOWN OF THE POSSIBILITY OF ANY SUCH DAMAGES. THIS LIMITATION OF LIABILITY, HOWEVER, WILL NOT APPLY TO CLAIMS FOR PERSONAL INJURY.

THIS LIMITED WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS. YOU MAY ALSO HAVE OTHER RIGHTS THAT MAY VARY FROM STATE TO STATE OR FROM COUNTRY TO COUNTRY. YOU ARE ADVISED TO CONSULT APPLICABLE STATE OR COUNTRY LAWS FOR A FULL DETERMINATION OF YOUR RIGHTS.

Software Technical Support

Software technical support is defined as assistance with questions and issues about the software that was either preinstalled by Motion on the Motion Product or that was included with the Motion branded product at the time of your purchase or lease of the product. Technical support for software is available for the duration of your warranty period. Your dated sales or delivery receipt, showing the date of purchase or lease of the product, is your proof of the purchase or lease date. You may be required to provide proof of purchase or lease as a condition of receiving software technical support. After the first ninety (90) days, technical support for software that was either preinstalled by Motion on the Motion Product or included with the Motion Product at the time of your purchase or lease of the product is available for a fee.
