

Maritime Agenda: UC 2022

The 2022 [Esri User Conference](#) returns to San Diego! We have prepared a focused agenda for Maritime to help you navigate the hundreds of sessions and activities being offered. Learn about the latest capabilities and take technical deep dives in various sessions as listed below.

These sessions and activities were chosen around key themes for this year:

- Gain better understanding of ArcGIS Pro to prepare for migration from ArcMap
- Architecture/Spatial Data Infrastructure/Enterprise deployment
- Field Maps
