The [UC Event Map](#) is now available to allow you to get familiar with the convention center and view locations of sessions and activities before you go. You can also generate a route and directions between two locations and view the estimated travel time. Use this map as a helpful tool, along with the [Detailed Agenda](#) and [My Schedule](#), for planning your UC experience. The map will also be available in the Esri Events App and at directory kiosks on site in the convention center.
