Change Notes

Market Data are now projections for 2025 (previously 2023). Unemployed Population is shown for 2024 (previously 2022). Utilization of updated input data from official statistics has led to deviations in Households and Marital Status. The Purchasing Power projection in national currency for 2025 shows a significant upward trend due to inflation and economic growth.

No changes were made to these settlement points since the last MBR release.
