Change Notes

Market Data are now projections for 2026 (previously 2024). Unemployed Population data is shown for 2025 (previously 2023). The integration of Census 2021 data newly released by official statistics has led to deviations in Education data.

No changes were made to the settlement points since the last MBR Data release.

Other Data Notes

Unemployed Population data is based on per capita values of the respective Daerah.
