## 5 fast facts about the StoryMaps competition

---

- 1 Esri and the UN Sustainable Development Solutions Network are teaming up to tackle global challenges.
- 2 We want your ideas for addressing poverty, climate change, equity, and other global goals.
- 3 You can enter a story through our website from August 6<sup>th</sup> to November 25<sup>th</sup>.
- 4 There are two tracks for entry: a student track for higher education and a professional track for everyone.
- 5 Your story may help world leaders, scientists, and your own community make smart choices for a sustainable future!
