GISClubKit   Request Software

GIS Club Kit

esri | THE SCIENCE OF WHERE®

Has the pandemic disrupted your youth programs? Need access to logins, activities, and instruction? Use the survey linked below to request youth and adult ArcGIS Online accounts on a managed organization - making your use of GIS efficient yet powerful.

These GIS Club Kits are available only for **homeschoolers** or youth-serving programs in USA states, districts, and territories

- Through 2020-2021 school year.

- For US clubs, homeschools, and "informal" youth ed

- Up to 99 youth + up to 9 adult accounts

- Unique group in Esri-managed ArcGIS Online Org

- Organizational sharing, analysis tools, StoryMaps, Survey123, and more

- 50 credits each per month

Fall 2020 Global ArcGIS StoryMap Competition

- **Just announced at EdSummit**

- **Focus: Sustainable Development Goals**

- **TWO GROUPS**
