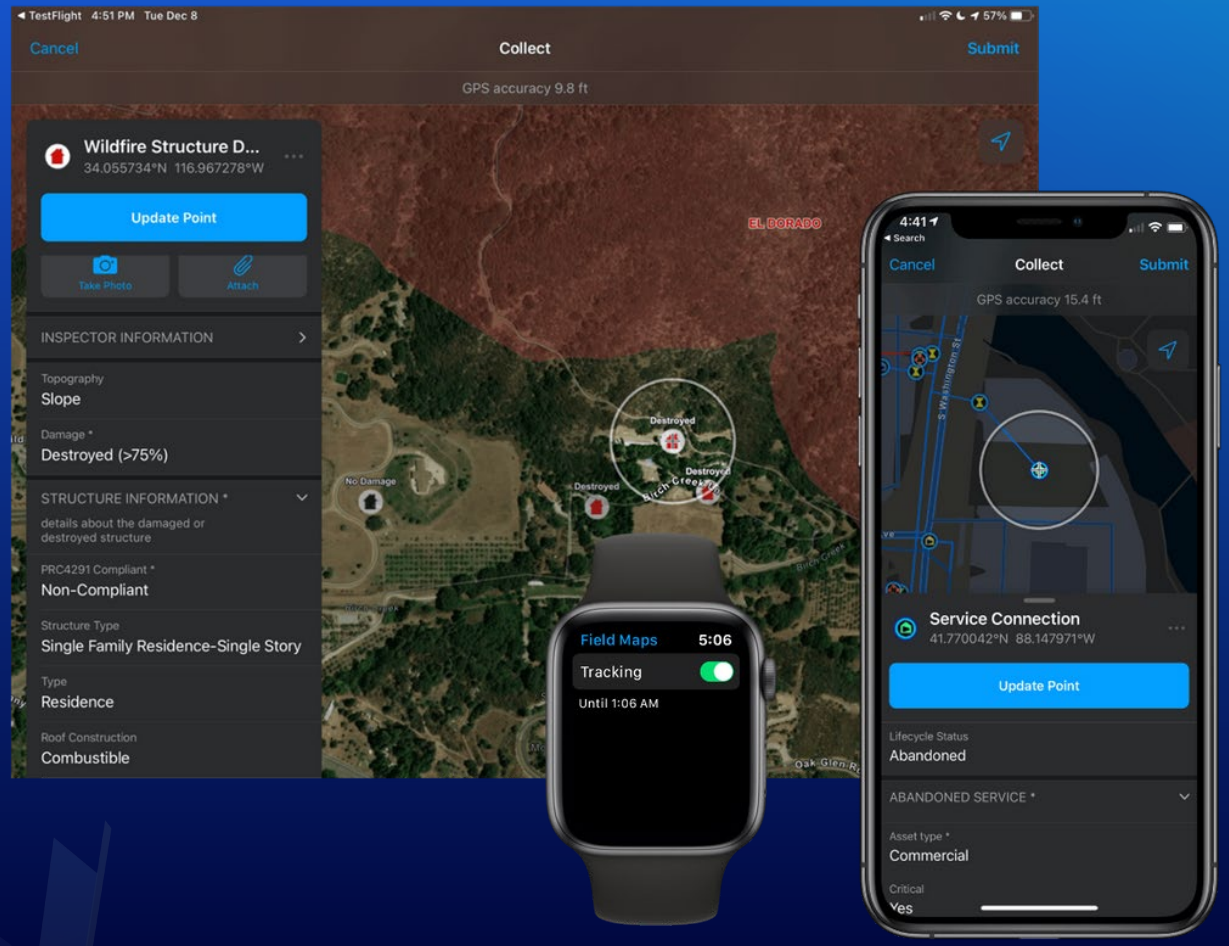
Map Viewing and Markup

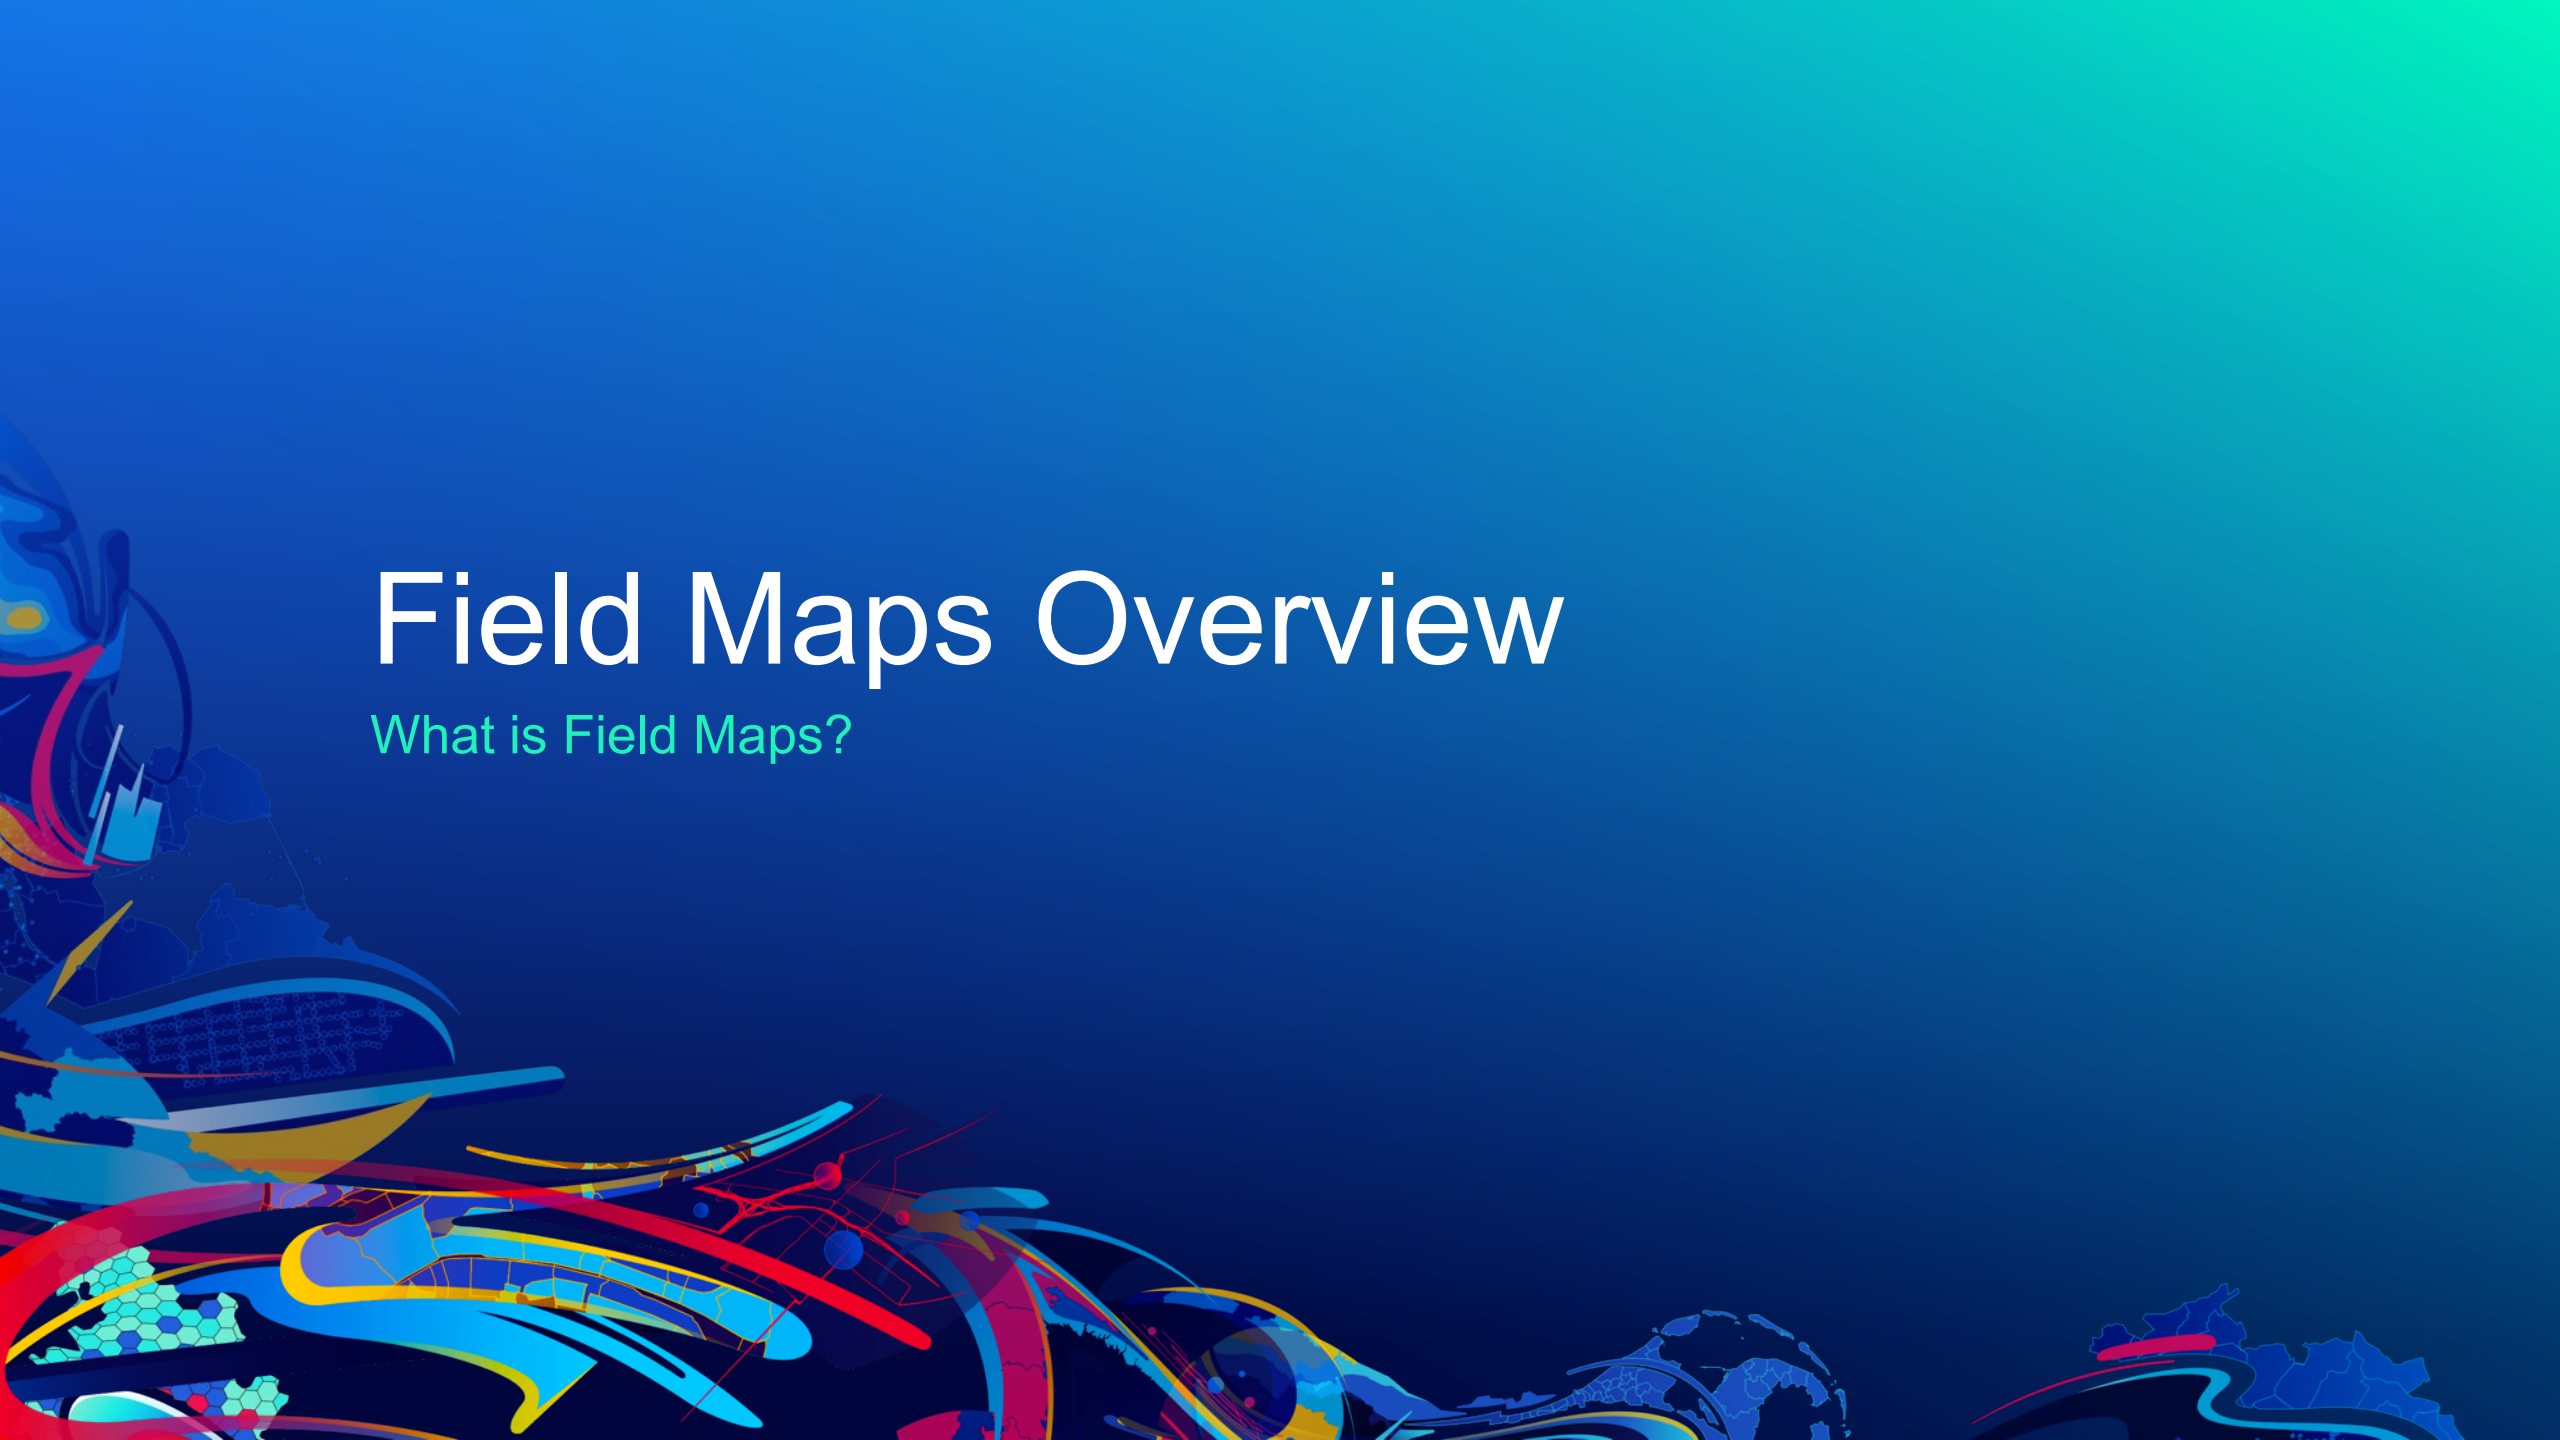
Agenda

- **Field Maps Overview**
- **Finding Maps**
- **Using Maps**
- **Markup Demo**
- **Resources and Review**



Field Maps Overview

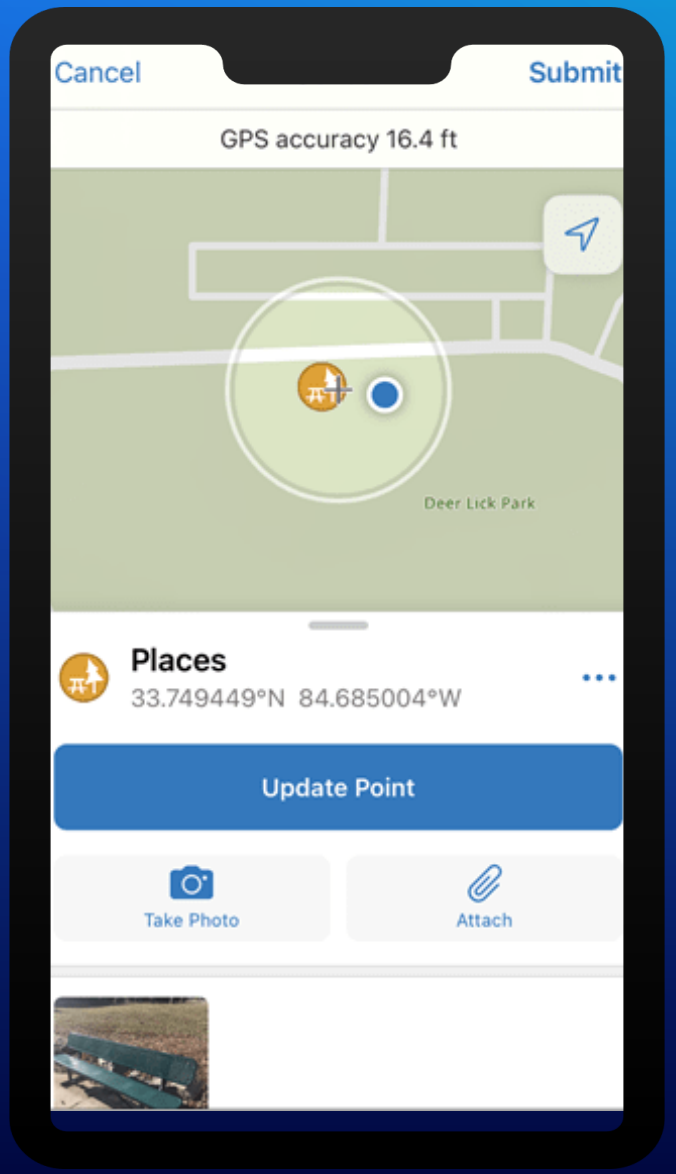
What is Field Maps?



What is Field Maps?

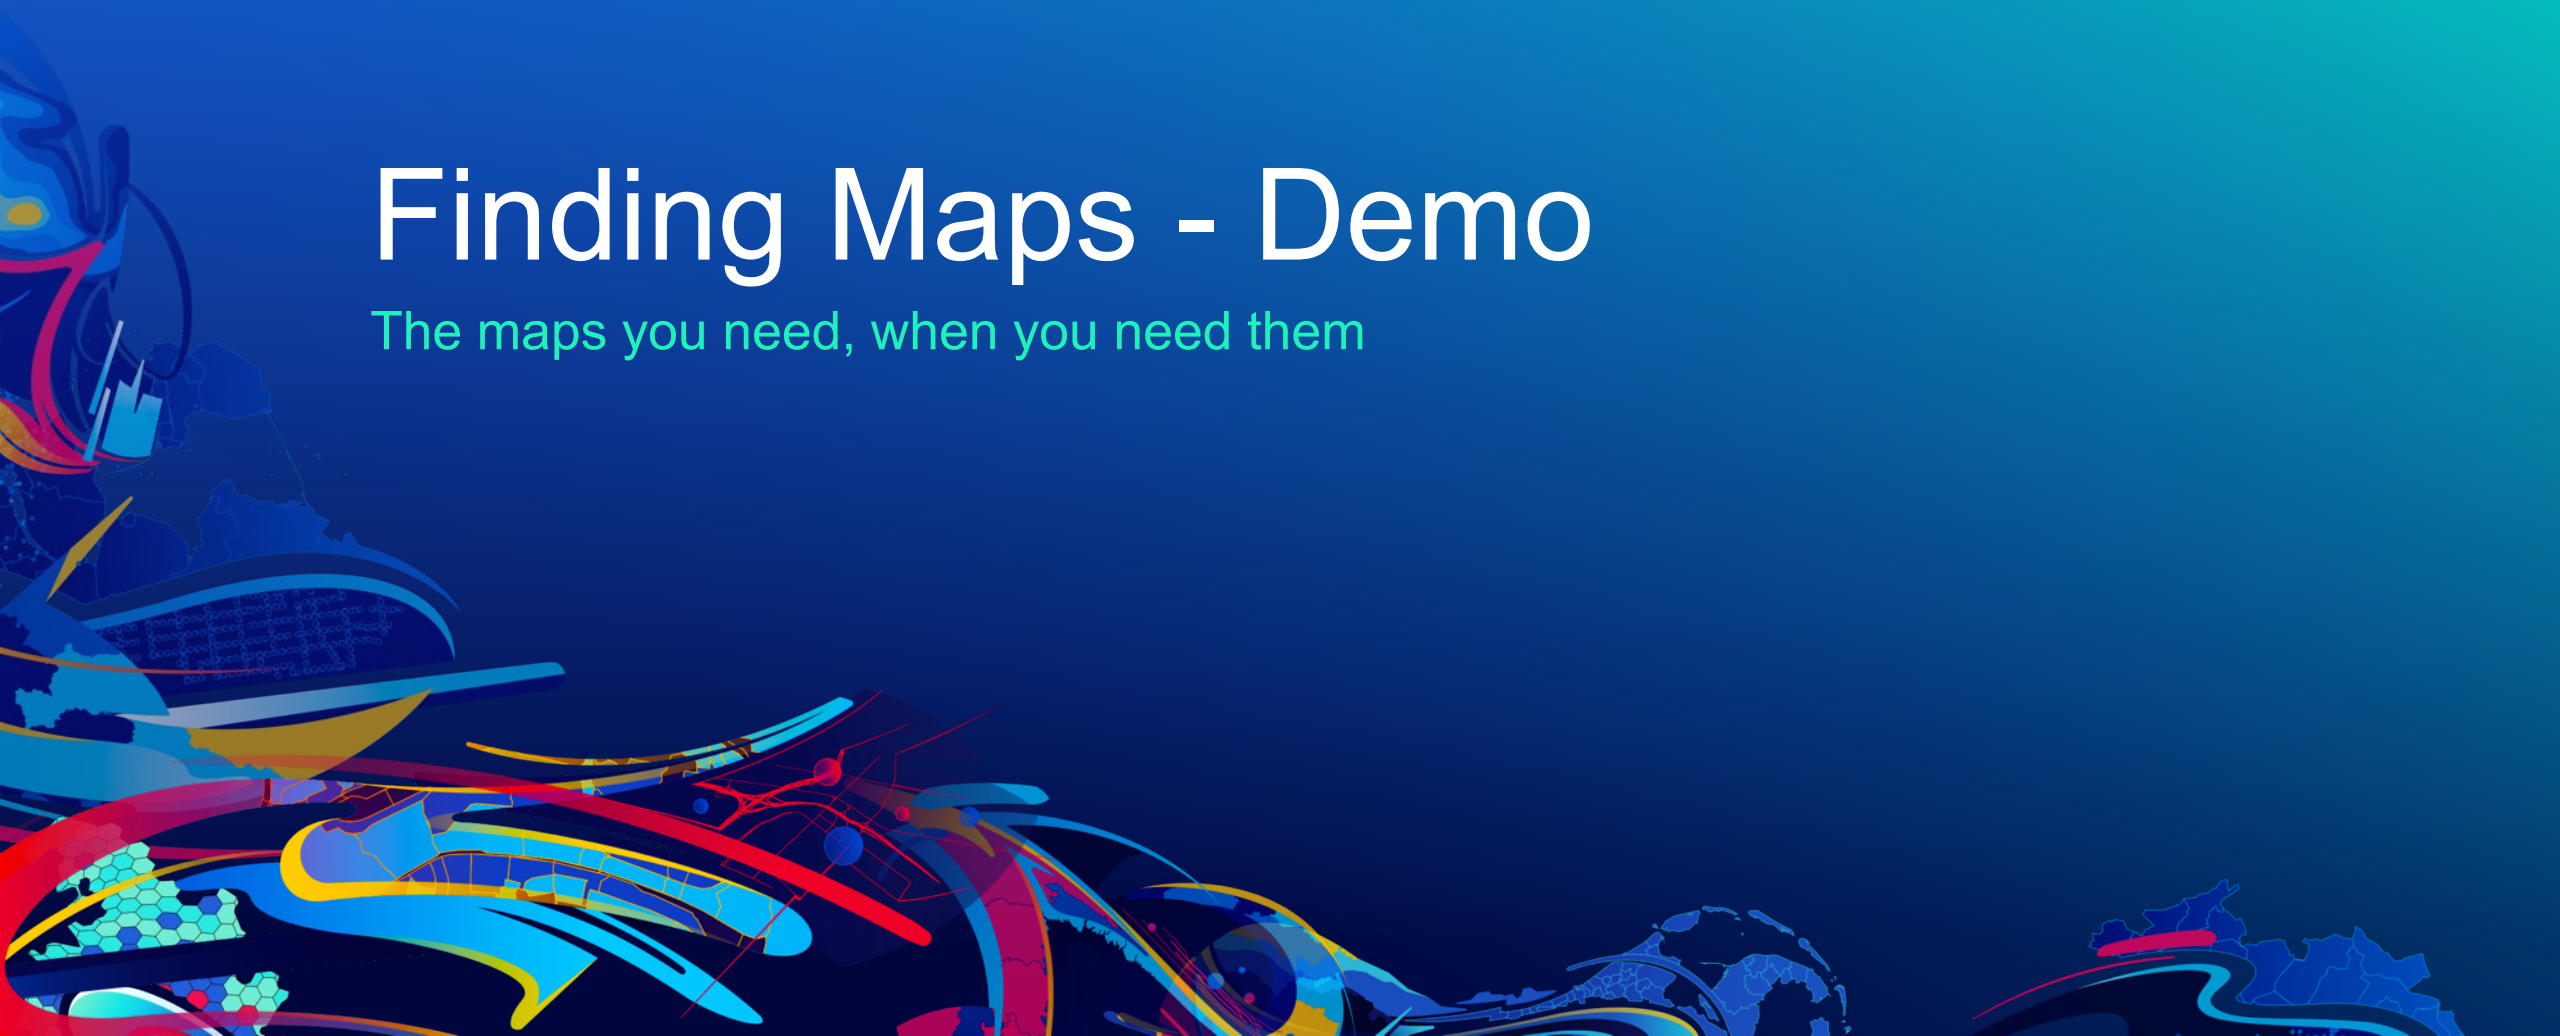
Field Maps

Roadmap



Finding Maps - Demo

The maps you need, when you need them



Finding Maps

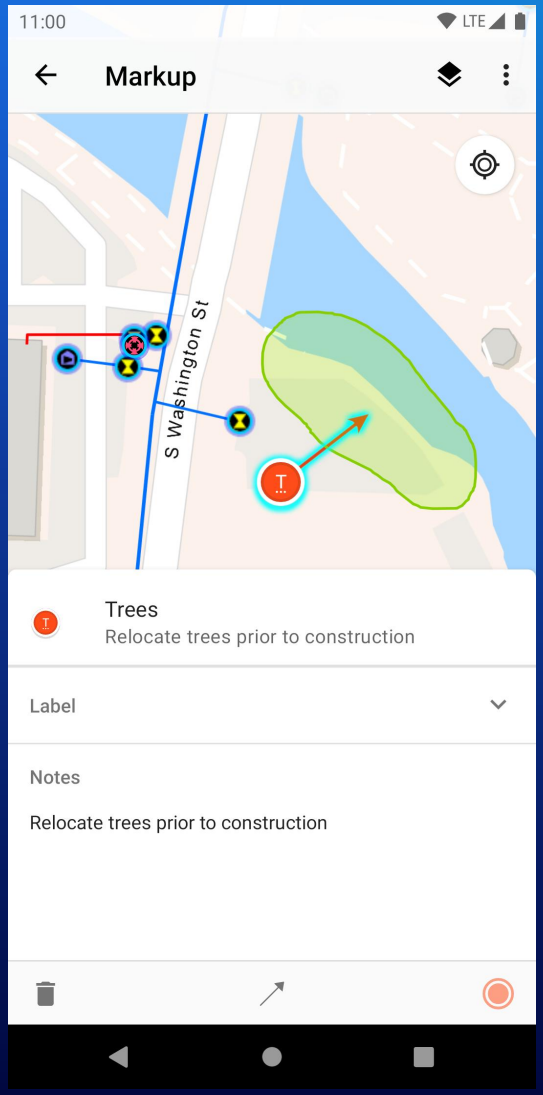
- **Browse**
  - **Scrolling, searching, filtering**
  - **Favorites, My Maps, Groups**
- **Supports:**
  - **Offline Areas**
    - **Pre-Planned**
    - **Ad-hoc**
  - **Mobile Map Packages (MMPKs)**

Using Maps

Interacting with your maps and data

Markup

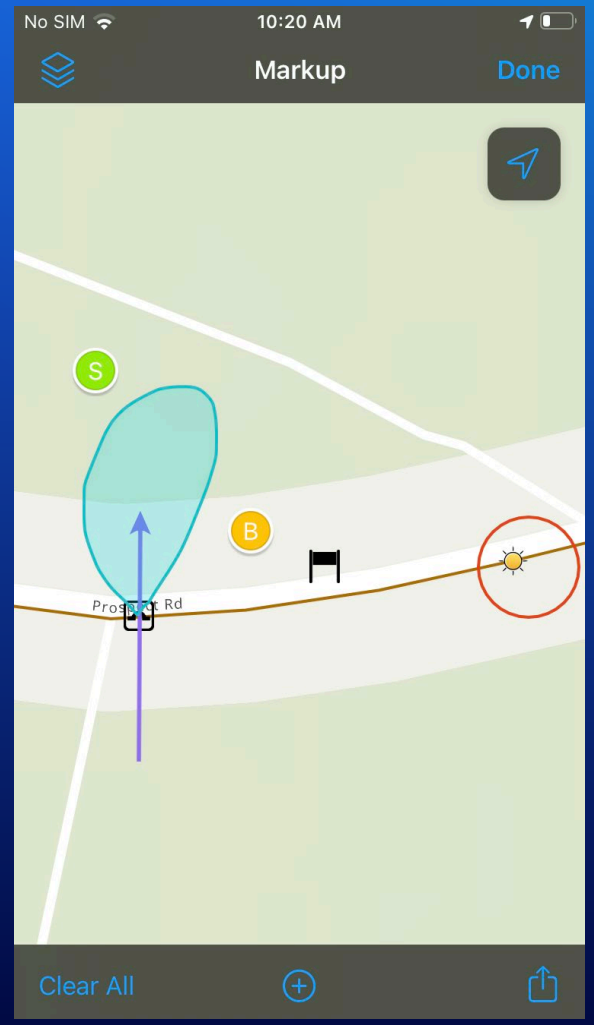
- Capture notes or sketches in a map
  - Points, lines or polygons
  - Online or offline
- Upload to ArcGIS Online
- Share or receive using text, email, or Airdrop



Markup - Demo

Markup

- **Best practices/pitfalls**
  - **Need to be logged in and have map open to import shared markup**
  - **Will import as a new markup layer**
  - **Best apps for sharing**
    - **Text**
    - **Email**
    - **Airdrop**



Summary and Review

- Finding and using maps
- Offline maps
- Map Tools
  - Markup Tool
- Markup tool best practices
