2021 ESRI
DEVELOPER SUMMIT

Application Index: What is it?

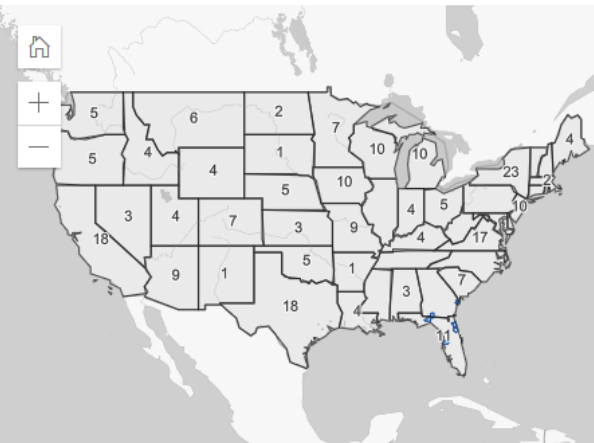

- Index of covid-related resources
- Multiple Levels:
 - National
 - State
 - County
- Goal: Allow citizens to find covid-related information quickly

- See it live: <https://coronavirus-resources.esri.com/>
 - Then click “Index of USA Applications related to COVID-19”

THE
SCIENCE
OF
WHERE®

The background is a vibrant, abstract composition. It features a central area of solid blue and teal. The left and right sides are framed by complex, colorful patterns. On the left, there are swirling shapes in red, yellow, and blue, along with a section of a hexagonal grid in shades of green and blue. On the right, there are more swirling patterns in blue, red, and yellow, with some areas resembling a stylized face or mask. The overall effect is dynamic and visually stimulating.
