

Reporting for ArcGIS Online Administrators

Peter Klingman and Jacob Lias

2021 ESRI
DEVELOPER SUMMIT

Agenda:

- Using the interface
 - Using the REST API
 - Using Python API to search for and download an existing report
- 

Using the Interface

ArcGIS Online

Report API

- **Four types of reports**
 - Items, Members, Credits, Activity
 - Additional parameters for Credits and Activity report
- **Rest API demo**

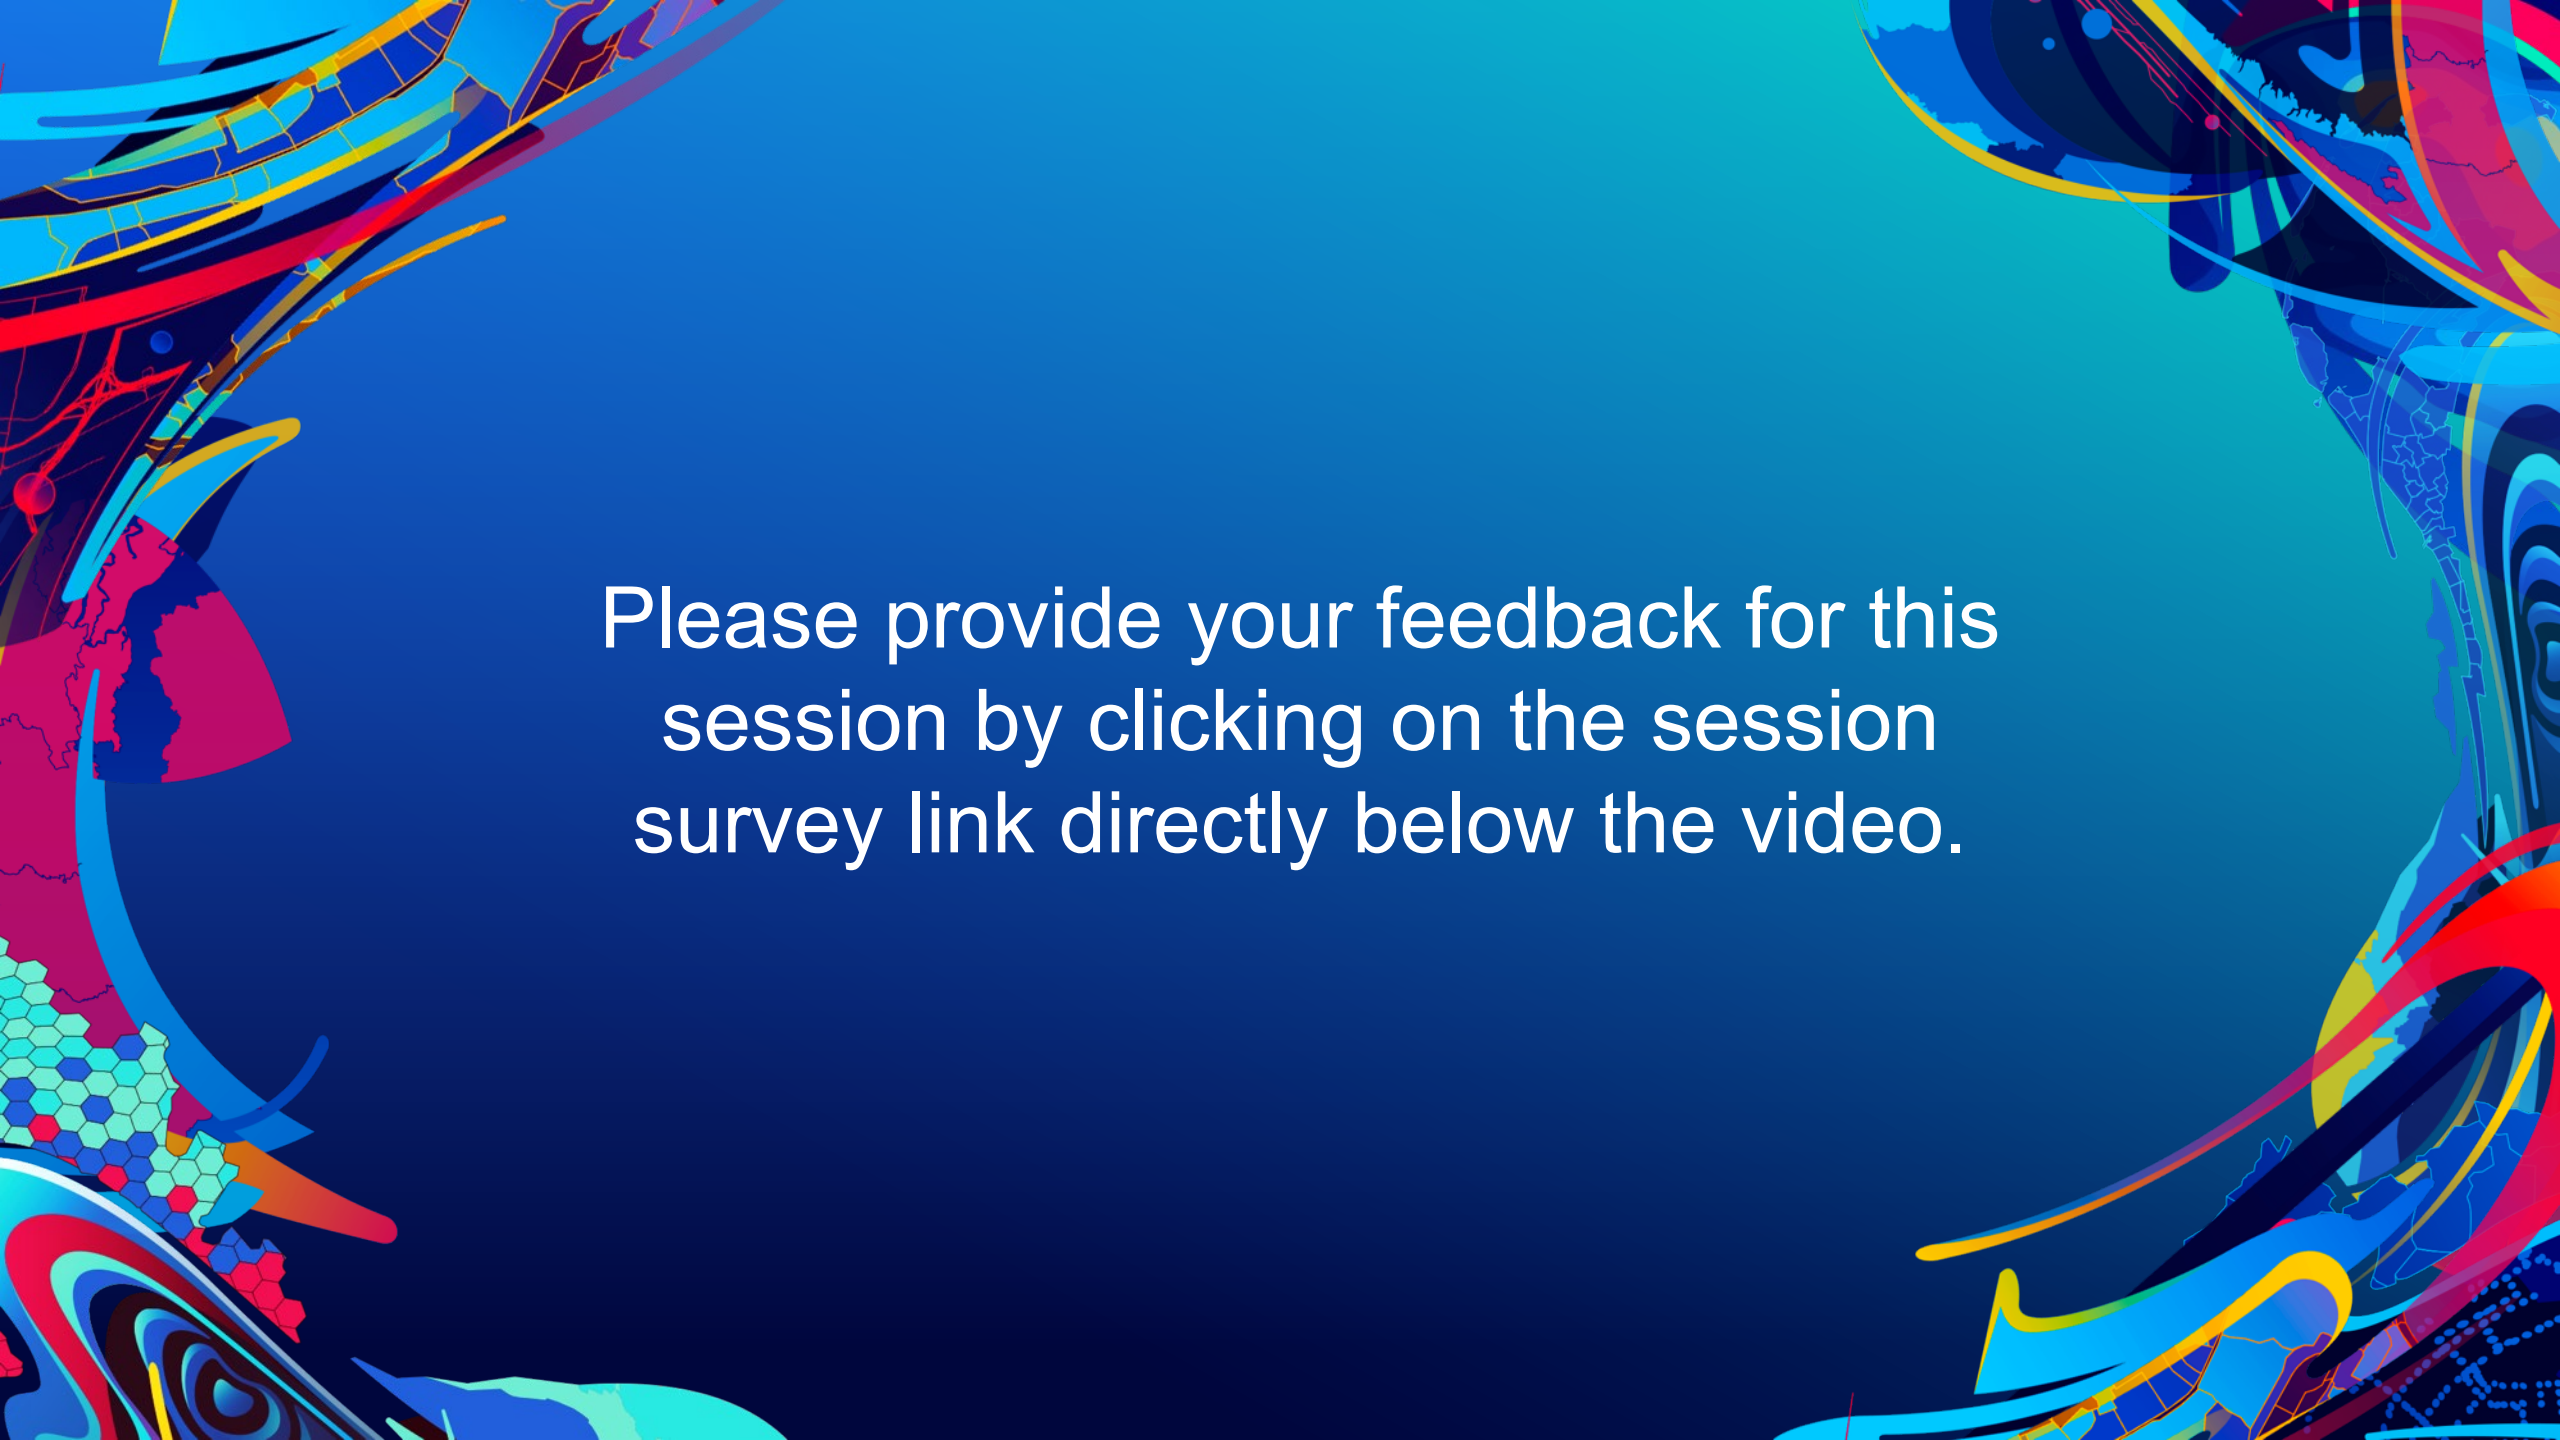

Search for and Download reports

- Use the ArcGIS API for Python
 - Fine-grained control over which report is downloaded with Search
- Demo

esri®

THE
SCIENCE
OF
WHERE®

The background is a vibrant, abstract composition. It features a central area of solid blue and teal. The left and right sides are framed by complex, colorful patterns. On the left, there are swirling shapes in red, yellow, and blue, along with a section of a hexagonal grid in shades of green and blue. On the right, there are more swirling patterns in blue, red, and yellow, with some areas resembling a stylized face or mask. The overall effect is dynamic and modern.
