

# What's New in ArcGIS Online

Julia Wood

*Esri Southeast User Conference*

# Agenda

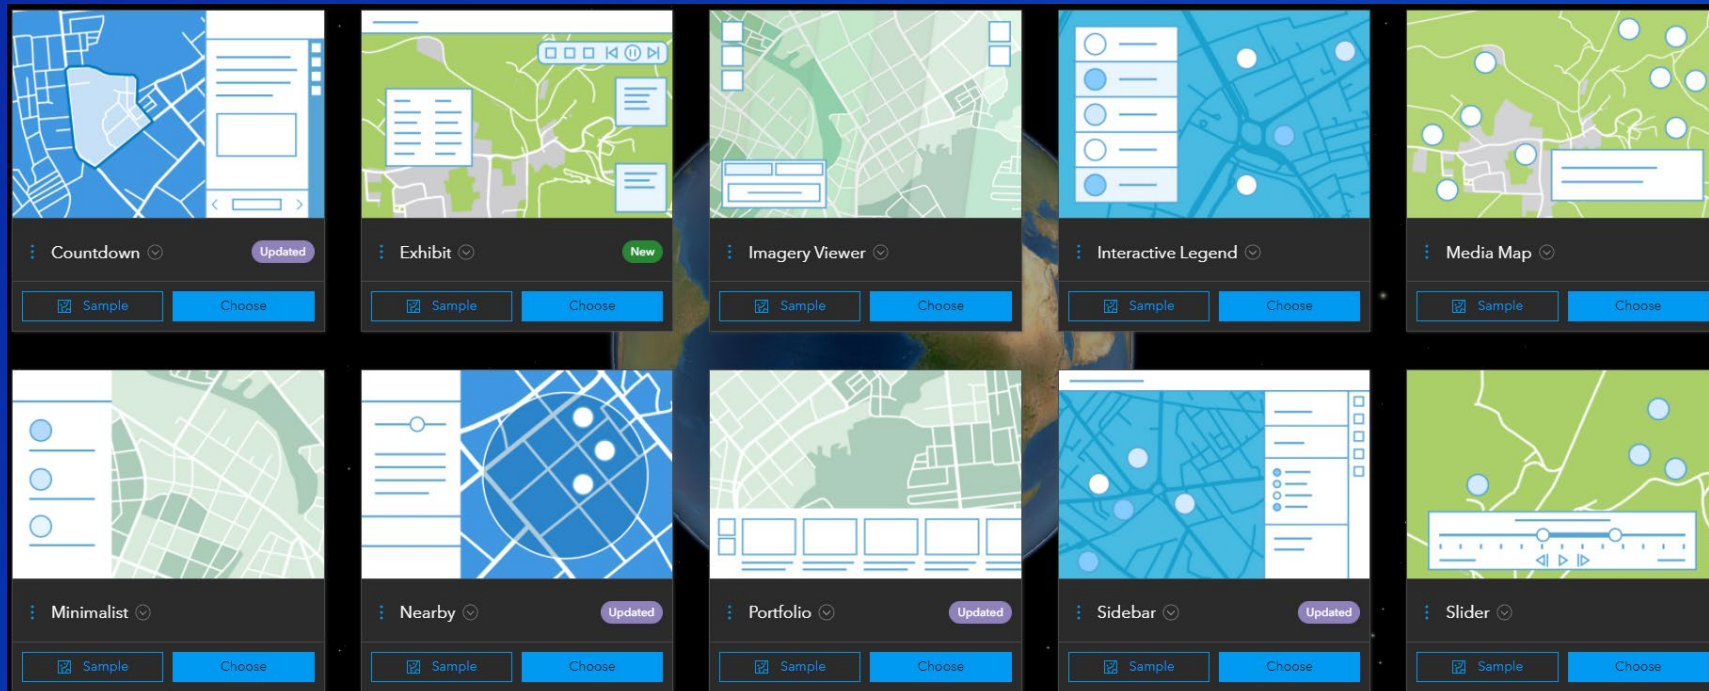

## Updates and New Releases

- ArcGIS Instant Apps
  - ArcGIS Dashboards
  - ArcGIS Hub
  - ArcGIS Urban
  - The new Map Viewer, Living Atlas, & Maps for Public Policy
- 
- A stylized, low-poly mountain range graphic in shades of blue and white, located in the bottom right corner of the slide. The mountains are composed of various geometric shapes, creating a modern, digital aesthetic.

# ArcGIS Instant Apps

March 2022 Update

- Released April 2021 as the next generation of web mapping apps
- A variety of templates to help you get started – no need to start from scratch!
- Updates to existing apps

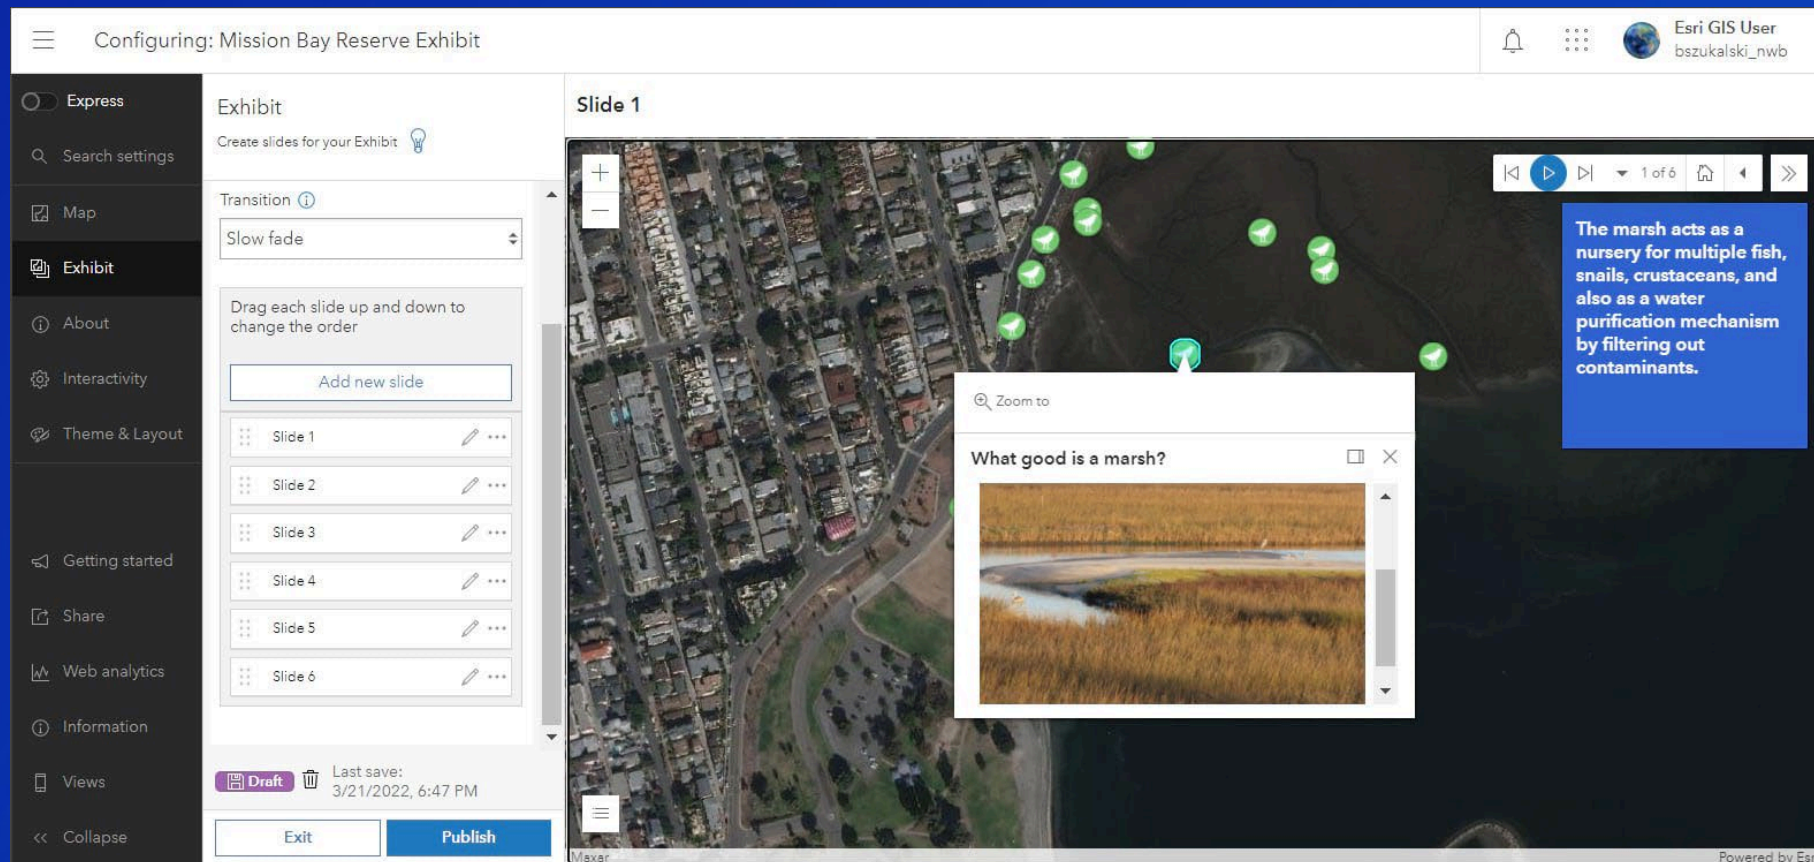

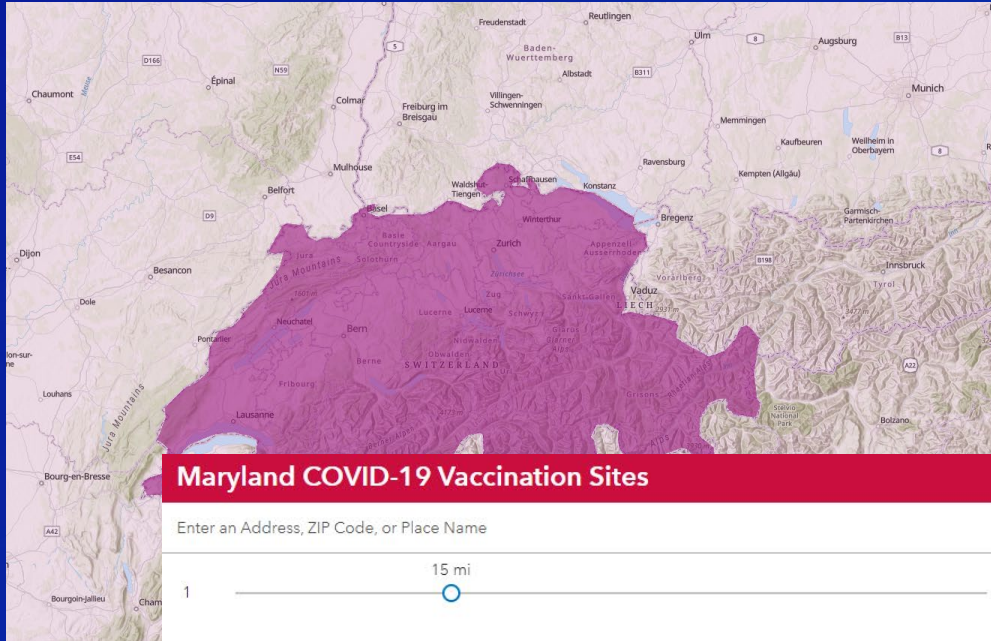

# ArcGIS Instant Apps

March 2022 Update

- New Instant App: Exhibit

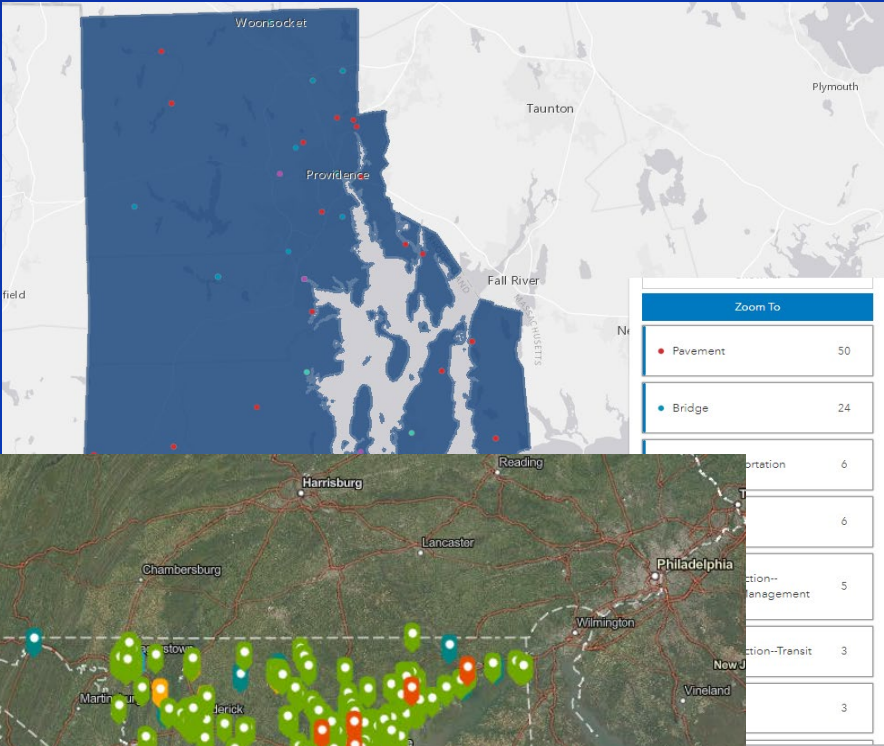

COVID-19 Spikes

Filter by continent

10. Switzerland  
Trend = Epidemic  
5,387 Active cases\* / 100,000  
39,238 Total cases / 100,000  
A spike of 26,091 new cases occurred in the last 6-21 days.  
Total active cases: 467,027  
Deaths: 13,498 (0.4% of total cases)  
Epidemic = Uncontrolled spread; Recent average of new cases per day is over 33, or active cases is greater than 2.0 per 100,000.  
\*Active cases = 100% of new cases in past 14 days + 10% from past 15-30 days + 5% from past 31-60 days - total deaths. Source: Johns Hopkins University, World Urbanization Prospects 2018.

## Maryland COVID-19 Vaccination Sites

Enter an Address, ZIP Code, or Place Name

### COVID-19 Vaccination Site Locator

You will need to contact the clinic as indicated to schedule an appointment. Please confirm vaccine availability when making your appointment.

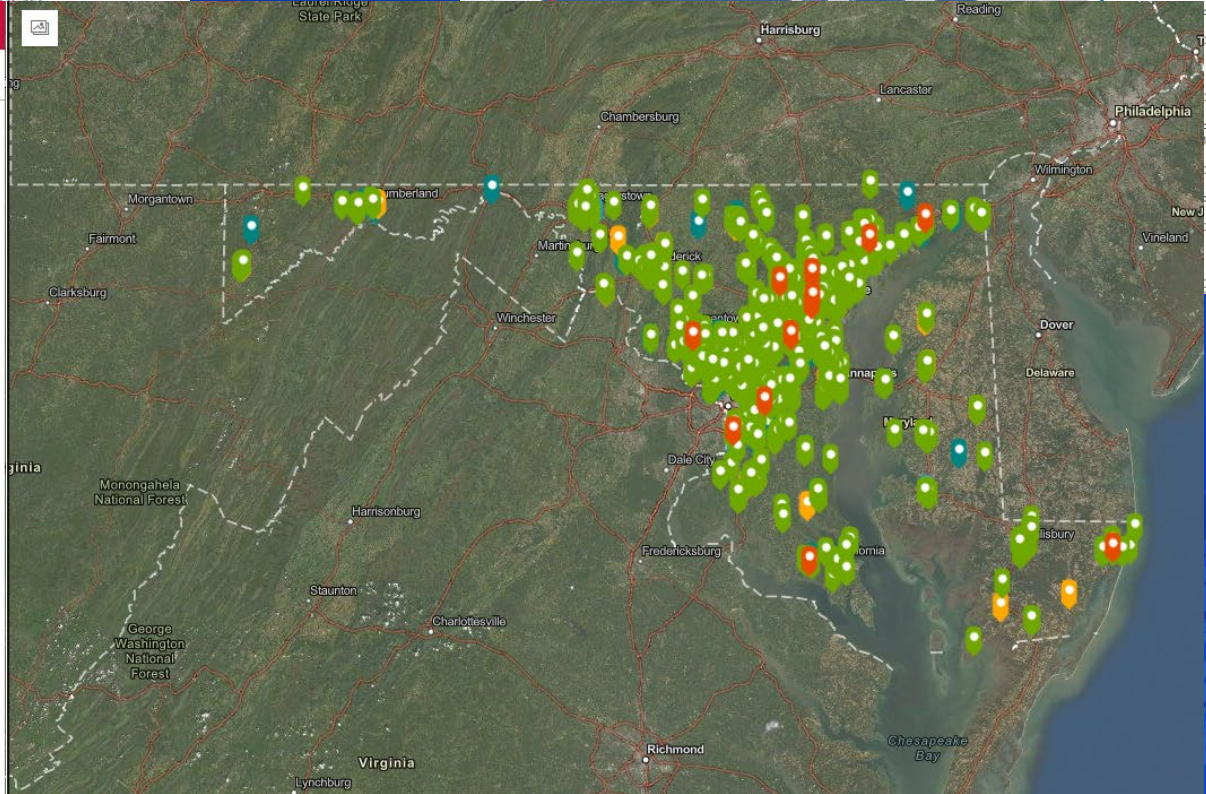

Inclement weather may impact appointments and scheduling. Please contact the provider to confirm availability.

- State Vaccination Sites
- Pharmacy Vaccination Sites
- Local Health Department Vaccination Sites
- Hospital Vaccination Sites
- Primary Care or Urgent Care Sites

Search for an address to locate COVID-19 vaccination sites. If you don't know the address, use one of these search methods:

- Click the search box and type in an address or choose Use current location
- Click within the map

Results will include information and details about COVID-19 Vaccination Sites nearby.

# ArcGIS Dashboards

March 2022 Update

- Action configuration has been enhanced
  - New color picker
  - New user interface for element configuration
  - Choose where to add elements on your dashboard
  - Updated Arcade functionality
- 
- An abstract geometric graphic in the bottom right corner, featuring overlapping translucent shapes in shades of blue and purple, creating a sense of depth and movement.

# ArcGIS Dashboards Classics

- Retiring with the September 2022 update of ArcGIS Online
- All functionality can currently be found in the new ArcGIS Dashboards other than the Follow Feature action
- Please give the new ArcGIS Dashboards a try!

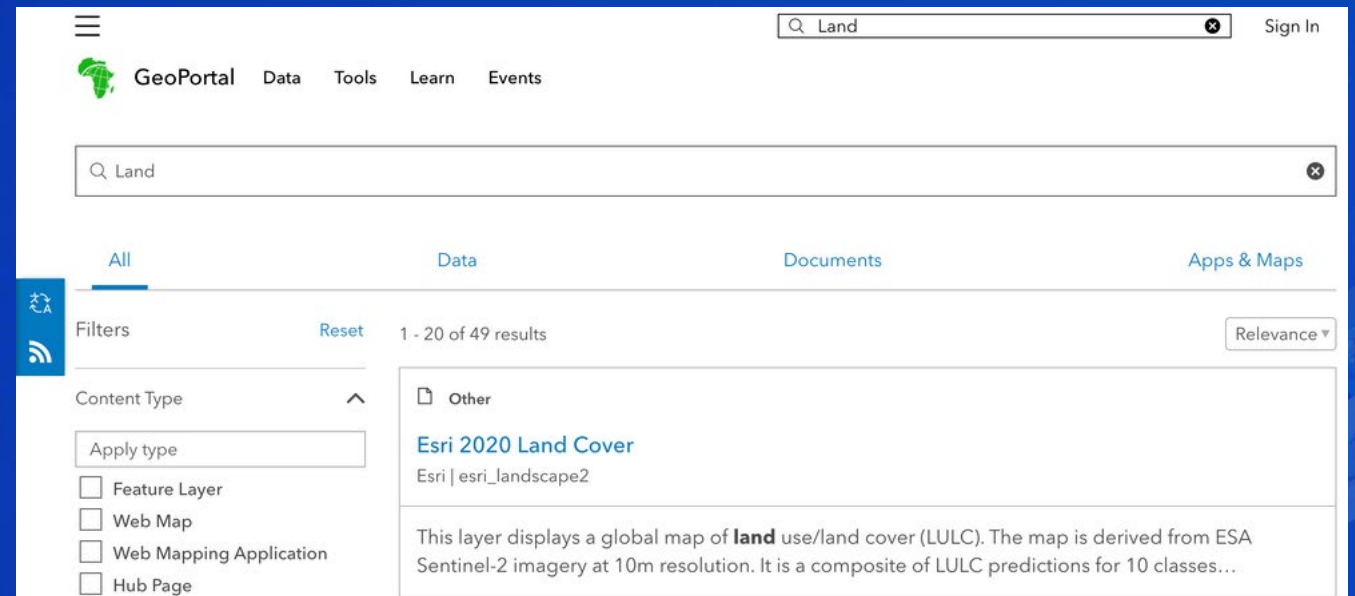

# ArcGIS Hub

February 2022 Update

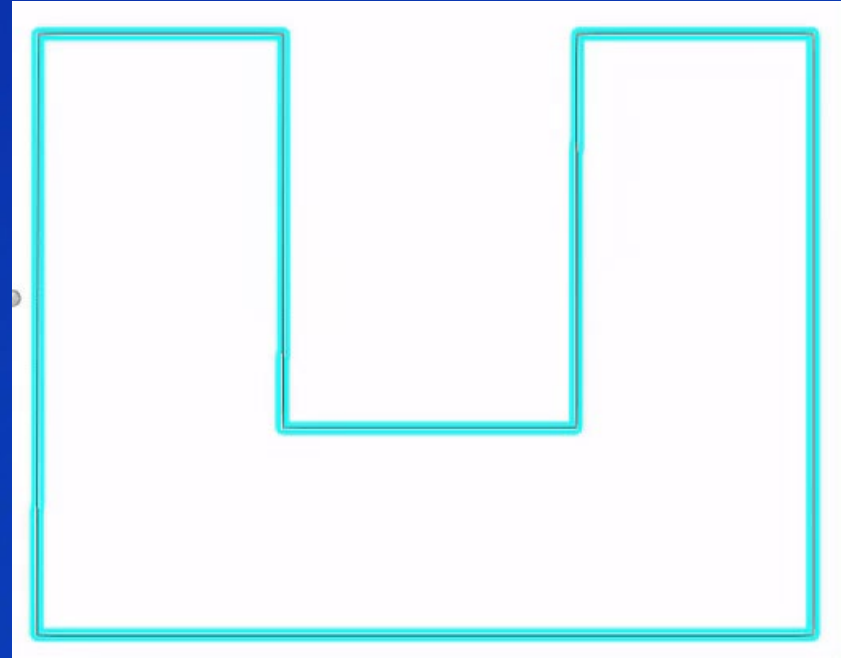

- Search updates!
  - For all Hub Sites, the search page has a search bar directly on top of the search results
- Stop long-running download jobs
  - Hub will now stop the file generation process if it exceeds 48 hours

# ArcGIS Urban

February 2022 Update

- Save, copy, and export suitability models
- Capture and edit viewpoints
- Create a copy of an Urban Model
- New shared viewing experience for plans and projects with pop-ups
- Improved geometry editing to avoid multipart geometries

# ArcGIS Online – General

March 2022 Update

- New ArcGIS Online homepages
  - Legacy homepages will automatically be updated
- Sharing and collaboration
  - Two new privileges: Reassign content and Receive content
  - Organization members can reassign or transfer content they own to others without requiring an administrator
- Data Management
  - Owners of hosted tile imagery layers can export the layer to a tile package

# ArcGIS Online – Accounts and Administration

March 2022 Update

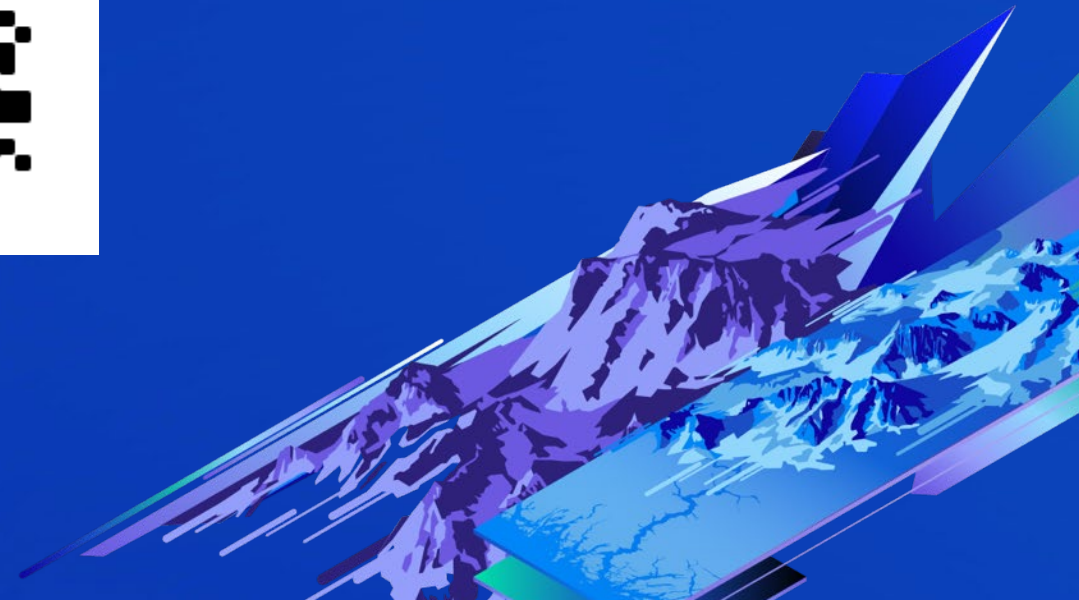

- Organize members using categories
    - Based on characteristics such as department, location, and expertise
  - Email verification
    - Organization members and other users with ArcGIS logins may be prompted to verify their email address when signing in
  - Administrative reports
    - Improved experience for creating and scheduling administrative reports
    - New link for accessing report field details on the Reports page
- 
- A stylized, low-poly mountain range graphic in shades of blue, located in the bottom right corner of the slide. The mountains are composed of various geometric shapes, creating a modern, digital aesthetic.
