UC2024
USER CONFERENCE
PROSPECTUS

WELCOME!

Thank you for your interest in the 2024 Esri User Conference (UC). This year's event promises to be bigger and better than ever as we have revamped how we offer items to those interested in sponsoring or exhibiting. While we still have an a la carte menu, we have split some options that were previously in larger bundles to allow for more groups to order specific branding opportunities. We also moved more options to the exhibitor menu so that more organization's can experience specialty branding and engagement options, previously only allowed for sponsors. But don't worry sponsors - you have access to both menus and can still pick whichever custom items your team desires (availability permitting).

We hope your team joins us this year and allows our GIS attendees to engage with your team and bring more attention and business to your organization.

Certificate of Insurance

Each exhibitor on the Expo floor is required to be insured.
There are now two options to assure you meet the insurance needs
for this event.

1. Provide Certificate of Insurance (COI) - This document should be provided by your insurance company and must list Esri as the certificate holder as noted on the example document. Policies must have a minimum of $1,000,000 USD amount of general liability coverage.
2. Purchase general coverage through Esri - We now have the option to add cover-age to your order. You can purchase the insurance for $100 on your order form and our coverage includes and meets all the requirements for this event. Please note that purchasing this coverage is for this event only and does not cover any other event.

Failure to provide a Certificate of Insurance or purchase coverage before the event may result in your application being canceled.

Registration

Based on your valuable feedback, we have updated the registration passes we offer for sponsors and exhibitors. Here are the major changes:

- To avoid confusion, no more Expo only passes. We are only offering full conference passes now for your team.
- Even more passes for your team to join and help with your organization's budget.
- Sponsors are alloted more passes than ever before.

Please note that these allotments are per organization and not per booth space.

While there are complimentary passes, each attendee and exhibitor needs to be registered to attend. In addition to the passes, we are offering a discounted rate for sponsors and exhibitors to purchase additional passes.

	Invite only Exhibitors	Exhibitors	Bronze Sponsor	Silver Sponsor	Gold Sponsor	Platinum Sponsor
Full conference passes	2	5	5	5	5	5
Additional full conference passes			8	8	10	15
Special registration rate (full conference passes)	$1,300	$1,300	$1,300	$1,300	$1,300	$1,300

Health and Safety

Check the Health and Safety page for updates about health and safety requirements.

Esri is committed to protecting the health and safety of our attendees, including exhibitors, employees, and presenters. We follow the established protocols from the Centers for Disease Control and Prevention (CDC), the World Health Organization (WHO), and local health authorities and ask that all in-person event attendees do the same.

We encourage everyone to make informed decisions about attending our events in the best interest of their health as well as the health of others.

Esri recommends but does not require that all attendees, exhibitors, presenters, and Esri employees at this event ensure that they have had a negative COVID-19 test result 48 hours prior to attending the event or have been fully vaccinated against COVID-19.

Payment Policy

All sales are final. Organizations with approved applications will be invoiced (due 30 days after receiving). The invoice will be created after being approved and sales have closed.

Organization purchase order (PO) information can be submitted during the application period. After the invoice has been issued, invoices can not be edited by the Exhibits team. You will need to work with customer service directly for changes or edits to contact information.

Terms and Conditions

Applicants are required to agree to Esri's terms and conditions at the time of application.

Should you choose to select "Delayed Signature," your application may be placed on hold until Esri receives a signed terms and agreement document, during which time your organization will not be entitled to any benefits related to your application.

Please review the Esri Exhibit and Sponsor Agreement in its entirety [here](#).

Pre-sale Information

For those who participated atv the 2023 User Conference, there was a brief period of time in which you were able to reserve your 2024 UC location on the floor as well as lock in early prices. For those who participated and paid your deposit, you will be emailed before the a la carte menu and floor goes live to the general public to order items and update your order.

At the moment, there are plans to do a pre-sale again during and after the 2024 UC, so if you want to get a spot early, be sure to join us this year and unlock those special offers.

How to Apply and Customize Your Presence

1. Create or update your My Esri account
Ensure that your account is updated with current contact details. Connecting your account to your organization is recommended, but not required for this event.

2. Start your application
Once you've established or updated your My Esri account, access the portal to submit your application by selecting the Apply Now button on the FedGIS Become a Sponsor webpage.

3. Select your desired participation path and provide exhibit space preferences (if applicable)
Use the floor plan to view exhibit space availability. Provide at least three (3) selections for your best chance at securing a preferred space. Reference this prospectus for full details on each path and its available offerings. All conference sponsors (platinum, gold, silver, bronze) are required to exhibit.

4. Add your exhibitor bundle(s) to your cart: (if applicable)
Choose the appropriate space type and quantity of exhibitor bundles (premium, select, standard) according to the location and exhibit spaces selected. If you choose exhibit spaces denoted as "Turn-key Required", be sure to also add the appropriate turnkey structure bundle to your order.

5. Add your sponsorship or exhibitor items to your cart
Customize your presence by adding items from our expansive a la carte menu. For those choosing a conference sponsor path (platinum, gold, silver bronze), the required sponsor bundle need to be added to your order. For conference sponsors, your final recognition level will be determined by the total value of the items you select, including the required sponsor bundle and exhibit space.

6. Review order and payment details
All applications will be invoiced after the application portal closes. Please submit your invoice information in the appropriate section of the order form.

7. Submit and wait for approval email
After your application has been submitted, we will review and vet the application. If approved, you will receive an acceptance email along with details for your next steps. Please note this process is not automatic and may take 48-72 hours.

Key

Some sponsorship and exhibitor opportunities are only available to certain levels of participation. In order to make it easier to understand, we have created a key for the symbols you will see throughout the a la carte menu.

ALL	Available to all sponsors and exhibitors
SPON	Available to sponsors only
LTD	Limited quantities. If there is a number next to it, that is the total available
ONE	One per organization
NEW	New for 2024
EXC	Exclusive
RFSH	Package updated from previous years
INV	Invitation only

Exhibit

Put your own organization's spin on our 10' x 10' exhibit booth space (raw space) or make it easy for yourself with the turnkey bundles. Start with this required bundle and find your place on the Expo floor. Prices vary according to location.

Each space now includes electricity, carpet and nightly vacuuming.

Raw Booth Spaces

Each 10' x 10' raw exhibit space includes:

- Logo and corporate description on the event website and mobile app
- 10' x 10' exhibit space
- 10' x 10' carpet (grey, standard cut)
- 10 amps electricity (per 10' x 10')
- Nightly vacuuming and trash collection
- Media kit (graphics to promote event)

Turnkey Required Spaces

Each 10' x 10' raw exhibit space includes:

- Logo and corporate description on the event website and mobile app
- 10' x 10' exhibit space
- Turnkey structure bundle inclusions
- Electricity included in turnkey structure bundle
- Nightly vacuuming and trash collection
- Media kit (graphics to promote event)

These additions are per organization, not per 10'x10' space. More than ever before, we are helping with the planning process and offering more vfor you and your organization.

Included per organization

- (5) full conference registrations
- Special registration rate for additional registration passes
- (1) lead retrieval unit
- Access to digital media kit to promote your participation

Booth Prices

Depending on location and traffic, some booth spaces may have a higher price point than others. Turnkey required spaces have a lower price point, but do require an additional cost for the structure.

All prices are for 10'x10' space each and can be combined to make larger booths.
