ESRI USER CONFERENCE

ATTENDEE GUIDE

JULY 11-15 2022

SAN DIEGO CONVENTION CENTER

YOUR GUIDE TO THE

2022 ESRI USER CONFERENCE

Health and Safety

As part of our commitment to safety, all attendees must provide proof of vaccination to attend the event in person. If you are unable to comply with the on-site health and safety requirements or you cannot attend in person, you can **register for digital access**.

We will follow local mandates and recommend that masks be worn while indoors, but it is not required. Masks will be available upon request at the Information Desk or Registration Desk.

Vaccine verification wristbands will be required to enter any conference area, session, or the San Diego Convention Center (SDCC). See the "Vaccine Checkpoints" section to learn more.

Learn More about Health and Safety

Vaccine Checkpoints

Before you go to the Registration Desk to pick-up your badge, you will need to get your vaccine-verified wristband at one of the locations below. Vaccine wristbands will be required for entry into the Convention Center or any conference area. Please keep wristbands on during your entire time at the conference.

For expedited vaccine verification, complete your CLEAR Health Pass by following the steps below and taking your green Health Pass to the green Vaccine Checkpoint counter. Please note that the CLEAR Health Pass is only available for US attendees. Non-US attendees will need to provide proof of their vaccination at the blue Manual Screening counter.

Step 1 Go to **https://clear.app.link/2022EsriUC** and enter the phone number of the mobile device you will use to download the app.

Step 2 Download the CLEAR app, then tap the white Health Pass tile.

Step 3 Tap Enroll or Verify in CLEAR to create your CLEAR member account.

- New to CLEAR? When prompted, enter your email address and phone number, and have your government-issued photo ID ready.
- Already a CLEAR member? Use the phone number/email associated with your membership and snap a quick selfie to verify your identity; if prompted for an organization code, enter **2022EsriUC**.

Step 4: Tap Add COVID-19 Vaccination and follow the prompts to securely confirm your proof of vaccination.

Step 5: On-site, open the CLEAR app, tap the white Your Pass tile, and then tap Open Health Pass to get your result. Show the green Health Pass at the green Vaccine Checkpoint counter.

On-Site at Esri UC

Esri is dedicated to providing a welcoming, respectful, safe, and accessible environment for all conference attendees. Our conference fosters an environment where collaboration can thrive, innovation is abundant and encouraged, and all attendees are provided the opportunity to learn and grow. We ask that all Esri staff and conference attendees be mindful of the Esri Code of Conduct for Conferences and Community Spaces to help create for everyone a safe and inclusive environment that is free of harassment, aggression, and intimidation. Please be respectful, and report any inappropriate behavior to Esri staff.

Accessibility

Esri complies with the Americans with Disabilities Act (ADA), and endeavors that all contracted (Esri-sponsored) space is in compliance as well. For our attendees requiring accessibility, Esri is pleased to offer a dedicated, on-site contact. Please reach out to our accessibility team ahead of the conference for more information at **accessibility_team@esri.com**

Nursing Room

Esri is pleased to offer nursing rooms for the use of conference attendees and Esri staff. These rooms are equipped with electrical outlets and seating and are secured by key lock. Nursing mothers may store expressed milk in refrigerators at the First Aid located in Hall E of the San Diego Convention Center. Please visit the Information Desk for locations and access to the room.

Children at the Conference

We have several opportunities for attendees to include their families, partners, and children in parts of the conference. However, for the safety and security of all involved, all conference sessions, tracks, and exhibits are for registered attendees only unless otherwise noted. All registered conference attendees must be at least 18 years of age. Guests are welcome to accompany attendees at the Map Gallery Reception, Family Night at the Esri UC Expo, 5K Fun Run/Walk, and the Thursday Night Party. Additional fees for the 5K Fun Run/Walk and Thursday Night Party may apply; please ask for more information at the Registration Desk or the Activities Desk. Childcare is offered for children from six weeks to 12 years old and accommodates the conference schedule so parents/guardians won't miss out on any conference content. KiddieCorp provides licensed childcare at a reasonable cost, subsidized by Esri.
