Success Story

City of Fairfield, California, Informs Key Decision Makers with ArcGIS

The City of Fairfield Public Works Department has digitized its capital improvement project reporting tool to increase transparency among constituents of the community.

[Read the Story →](#)

In the digital data age, residents and visitors are ever more interested in city activities. The launch of the Capital Improvement Program (CIP) Hub is a significant step forward in improving our communication with the community and providing a more accountable and transparent government.

David Gassaway
City Manager, City of Fairfield
