National Maritime & Hydrography Events and Activities

The Esri User Conference (Esri UC) has many presentations and events with hundreds of topics covered. To help you find your way to the National Maritime & Hydrography sessions and events, we have prepared a more focused agenda.

Mapping & Statistics Showcase

Visit the Mapping & Statistics Showcase to connect with leading experts in aviation, maritime, national mapping, official statistics, geospatial ecosystems (NSDI/SDI), and advanced innovative technology. Discover how geospatial authorities use GIS to produce fundamental and foundational information that addresses socioeconomic, security, and environmental challenges in government and society.

Tuesday, July 15	**9:00 AM–5:00 PM**
Wednesday, July 16	**9:00 AM–5:00 PM**

New Registration Process for SIGs and Summits

All Summits and SIGs will require a reservation to attend. Please use *Add to Schedule* to reserve your spot or *Join Wait List* to be added to the queue.

Please Note: *Reservations will be held until five minutes prior to the start time before seating will be opened to attendees in the on-site queue. If attendees with a reservation remove the session from their schedule, the next person on the wait list will automatically receive that open reservation. Wait lists will only be available before the conference. On-site walk-in attendance may be available dependent on room capacity and will be allowed on a first-come, first-served basis. Thank you.*
