New Registration Process for SIGs and Summits

All Summits and SIGs will require a reservation to attend. Please use *Add to Schedule* to reserve your spot or *Join Wait List* to be added to the queue.

Please Note: *Reservations will be held until five minutes prior to the start time before seating will be opened to attendees in the on-site queue. If attendees with a reservation remove the session from their schedule, the next person on the wait list will automatically receive that open reservation. Wait lists will only be available before the conference. On-site walk-in attendance may be available dependent on room capacity and will be allowed on a first-come, first-served basis. Thank you.*
