

Esri Third-Party OSS/FOSS Software Acknowledgements

This document acknowledges certain third-parties whose software may be used in Esri products. The most recent version of this document can be found at <http://www.esri.com/legal/open-source-acknowledgements>.

While Esri makes every effort to ensure that citations in this document are complete and accurate, errors may occur. If you see an error or omission, please help us improve this disclosure document by sending information to oss@esri.com.

Some open source licenses require that the original or modified source code of an included project be made available. To request source code for any project covered under such license terms, send a request identifying the specific project to oss@esri.com.
