

Esri Academy LMS Integration Subscription Terms and Conditions

1.0 ESRI ACADEMY LMS INTEGRATION SUBSCRIPTION

The Esri Academy LMS Integration Subscription is subject to the applicable signed Master Agreement governing Esri's provision of Training to Customer or, if the Customer has no such agreement, the terms of Esri's Master Agreement, Products and Services ("Master Agreement") found at <https://www.esri.com/legal/software-license>. Esri will provide a printed copy of these terms at Customer's request.

1.1 Definitions

- a. "**Esri Academy LMS Integration Subscription**" or "**LMS Subscription**" means an optional term-limited subscription to Esri Academy enabling a specific number of unique Customer student(s) access to Self-Paced E-Learning through the Customer's learning management system.
- b. "**Self-Paced E-Learning**" means a collection of self-paced learning resources for the ArcGIS platform, accessible from Esri Academy.

1.2 Esri's Responsibilities

Esri will

- a. Provide up to eight (8) hours of remote telephone and/or email support to Customer, during Esri normal business hours, to assist in connecting to the LMS Subscription and testing access. Esri does not guarantee that Self-Paced E-Learning will function optimally in the Customer's learning management system.
- b. Provide the Customer with access to new and updated Self-Paced E-Learning through the LMS Subscription on a quarterly basis during the term. Self-Paced E-Learning retired on Esri Academy will automatically be reflected in the Customer's learning management system.

1.3 Customer's Responsibilities

Customer will

- a. Ensure that the number of unique students does not exceed the number permitted under the purchased LMS Subscription.
- b. Stay current on Maintenance during the LMS Subscription term.

1.4 Term; Renewal Periods; Termination

- a. Esri shall invoice Customer in advance of the LMS Subscription and/or for any additional increases to the LMS Subscription.
- b. The LMS Subscription will automatically renew at the then-current pricing for an additional one (1) year term provided that the Customer is current on Maintenance, and Esri receives payment of the LMS Subscription prior to the expiration of the current LMS Subscription term.
