

Teachers at a school (or district) with a school (or district) ArcGIS School Bundle license can attend the 2022 Esri Education Summit @ Esri UC for free. Follow along ...

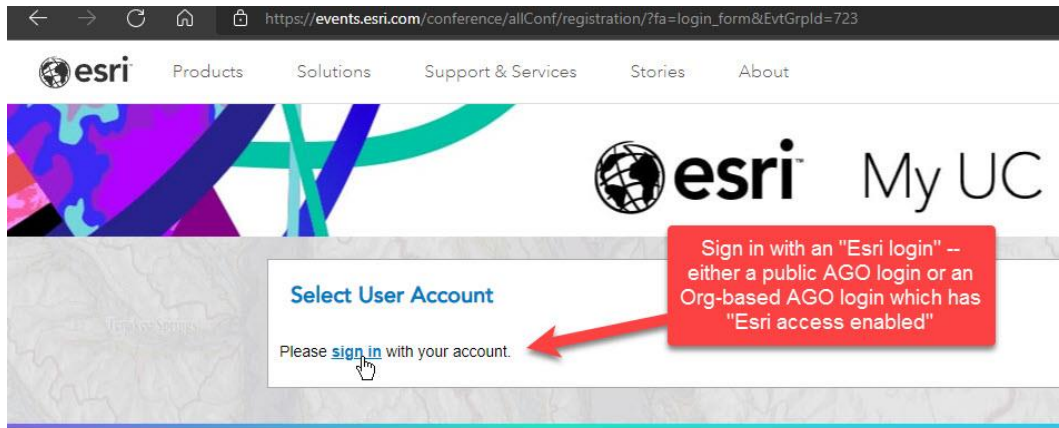

1. Start at <https://www.esri.com/educ>

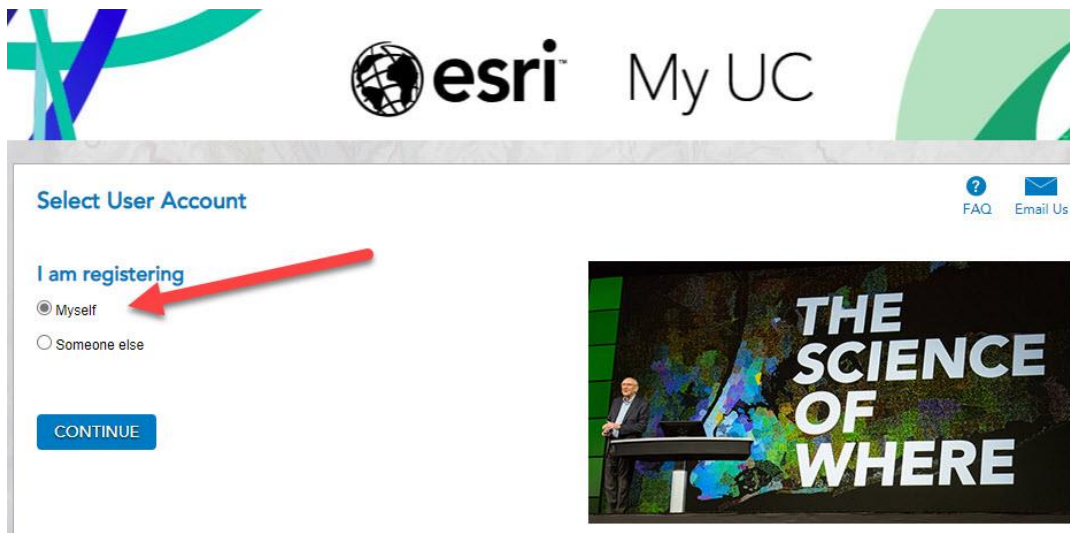

2.

3. Click Sign in to get to an ArcGIS Online- style login panel. You need "an Esri login" -- either a public AGO account or an Org account for which "Esri access" has been enabled.

4. Presuming yourself here

5. This is the tricky part. Be sure to enter your correct Esri Customer Number, typically a 6-digit number. Only one path thru #s 3-4-5 gets teachers attached to an ArcGIS School Bundle license in for free. You may choose other paths but this is the only one that is free for teachers.

The screenshot shows the Esri My UC registration process. At the top, there is a navigation bar with four steps: 1. Choose Events, 2. Select Rate, 3. Enter Personal Info, and 4. Review and Pay. A red circle with the number '1' is placed over the '1. Choose Events' step.

The main form is titled 'Customer Information' and contains the following fields:

- First Name: Charlie
- Last Name: Fitzpatrick
- Customer No.: [Empty text box] I don't have a customer number

A red circle with the number '2' is placed over the Last Name field, and a red arrow points from a red instruction box to this field. The instruction box contains the text: "Check that the name is OK, then add your Esri Customer Number (e.g. 123456), then notice the choices below. THIS 4+5 set will get School Bundle teachers in to Sat-Tue at no cost. You can attend more of UC for a fee."

Below the Customer Information section is the 'Event Information' section:

- I am: an Attendee Exhibitor
- Are you attending: UC Industry Event UC and Industry Event

A red circle with the number '3' is placed over the 'an Attendee' radio button.

Below the Event Information section is the 'Pick Your Industry Event' section:

- Industry Event: Education Summit @ Esri UC Imagery Summit @ Esri UC Safety and Security Summit @ Esri UC

Red circles with the numbers '4' and '5' are placed over the 'Education Summit @ Esri UC' radio button and the 'Imagery Summit @ Esri UC' radio button, respectively.

At the bottom left of the form is a blue button labeled 'NEXT »'.

6. To get in free, choose the "ArcGIS School Bundle Educator". Covers Sat-Tue.

1. Choose Events 2. Select Rate 3. Enter Personal Info 4. Review and Pay

Education Summit @ Esri UC Rates

<input type="radio"/>	Education Summit - Attendee	\$325.00
<input type="radio"/>	Education Summit - Complimentary Registration with an Education Site License (must use with UC Complimentary Registration)	\$0.00
<input checked="" type="radio"/>	Education Summit - ArcGIS School Bundle Educator Attendee	\$0.00

This is an Education Summit full-event registration available to educators affiliated with an ArcGIS School Bundle (for K-12 schools and clubs). Registration includes all sessions Saturday, July 11- Sunday, July 12, beverage breaks, and socials at the Education Summit as well as the Monday UC Plenary session, Map Gallery, Special Displays and Exhibit Hall on Tuesday.
