

The Value of Esri Educational Licensing for Campus Operations

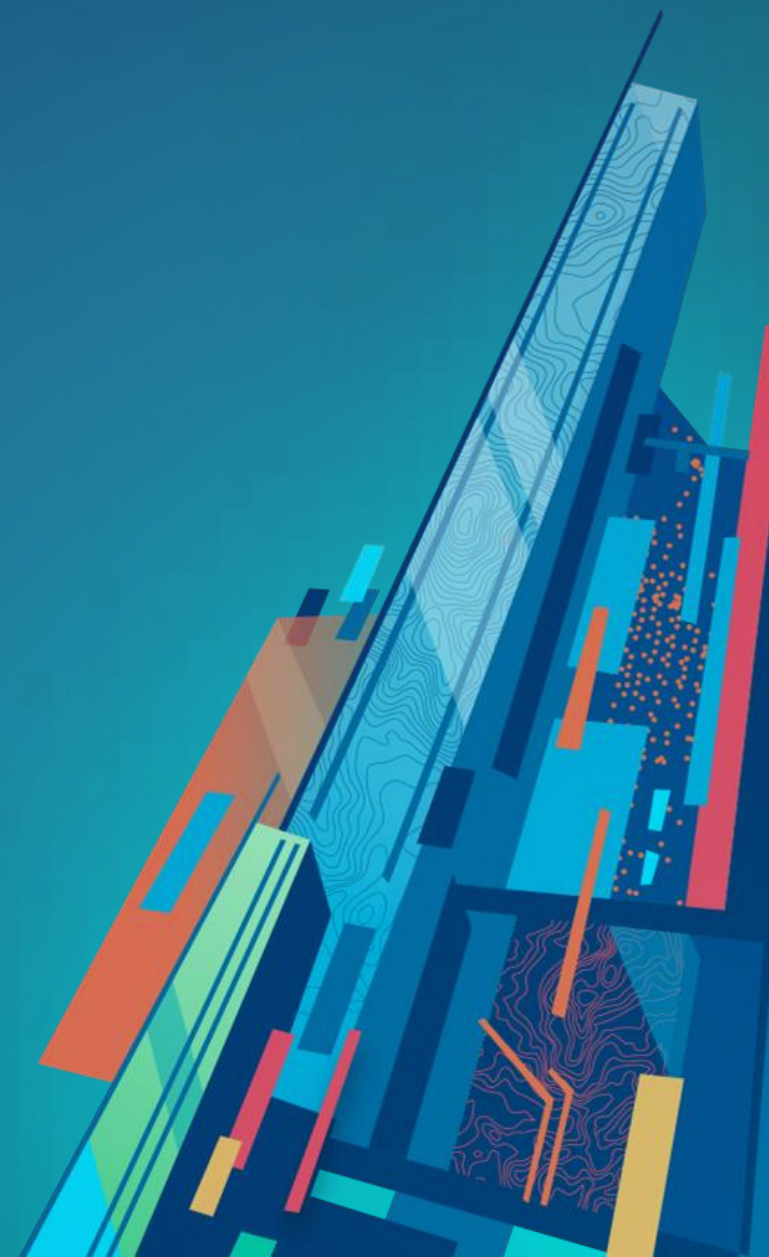

Justin Anderson – Esri

Brian Baldwin – Esri

Mono Simeone – UC San Francisco

Mark Stewart – Esri

Digitally Transforming Campus Operations with ArcGIS
Spring Webinar 1 - Licensing

Agenda: Licensing for Campus Operations

- Intro
- Education Licensing – Admin
- Administrative Best Practices
- Account Manager Support
- Esri Resources
- Q&A

Webinar Housekeeping

- Please enter your questions in the chat box
- Microphones will be muted
- Q&A session at the conclusion of the webinar
- Webinar & slides will be available
- Survey following the webinar

Welcome to "Digitally Transforming Campus Operations with GIS" webinar series

Licensing for
Campus Operations

March 17, 2022

12pm CST / 10am PST

Developing a
Geospatial Strategy

April 21, 2022

12pm CST / 10am PST

That Value of
Indoor GIS

May 20, 2022

12pm CST / 10am PST

ArcGIS Dashboards

Best Practices

The background is a solid blue gradient. In the top right and bottom left corners, there are abstract, overlapping geometric shapes in shades of blue, green, and red. A faint, light blue outline of a world map is visible in the background, particularly on the right side.

Mono Simeone
GIS Manager
University of California San Francisco

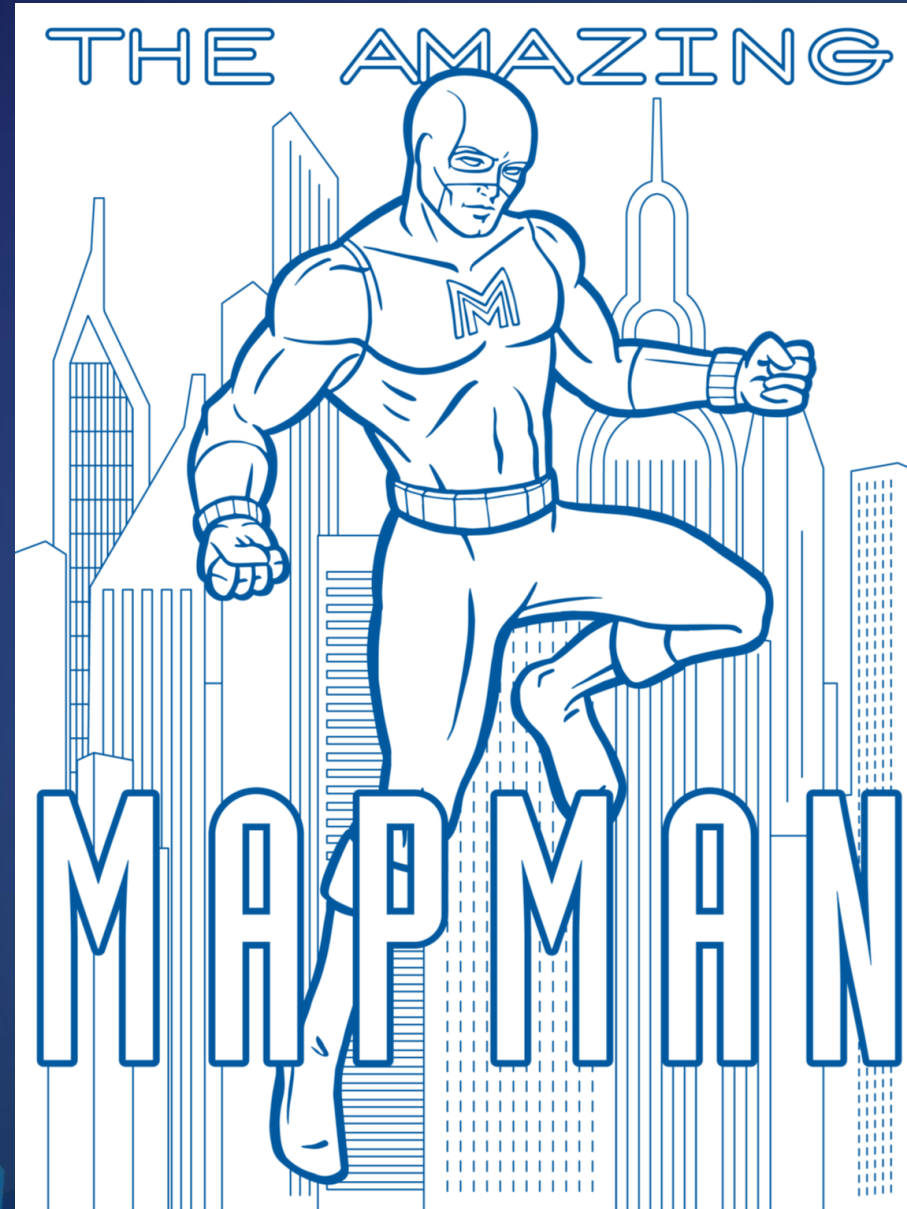

Account Management

The image features a blue gradient background. In the center, the text "Account Management" is displayed in a white, sans-serif font. The design is decorated with abstract elements: in the top right and bottom left corners, there are clusters of overlapping, semi-transparent geometric shapes in shades of blue, green, and red. Additionally, thin, light-colored lines resembling a map or network diagram are visible in the background, particularly on the right side.

Esri Account Manager

What we think we do

- Solve all your GIS problems with grace and skill

Esri Account Manager

What we really do

- A primary contact for all things Esri-related
- Listens to your needs and challenges
- Aligns your goals with the right solutions
- Facilitates access and support to Esri resources

Andrew Haglund

Mark Lecher

Justin Anderson

Ann Masangcay

Administrative Organization FAQs

- Is administrative use in an Institutional Agreement unlimited?
- How is ArcGIS commonly used for campus operation?
- How can administrative staff learn to use these tools?
- Who should I contact to learn more Esri solutions?

Administrative Organization FAQs

- Is administrative use in an Institutional Agreement unlimited?
 - No. Number of users will depend on the agreement size
- How is ArcGIS commonly used for campus operation?
- How can administrative staff learn to use these tools?
- Who should I contact to learn more Esri solutions?

Administrative Organization FAQs

- Is administrative use in an Institutional Agreement unlimited?
 - No. Number of users will depend on the agreement size
- How is ArcGIS commonly used for campus operations?
 - Basemaps, utilities, sustainability, indoor mapping, event management, instructional reporting and more
- How can administrative staff learn to use these tools?
- Who should I contact to learn more Esri solutions?

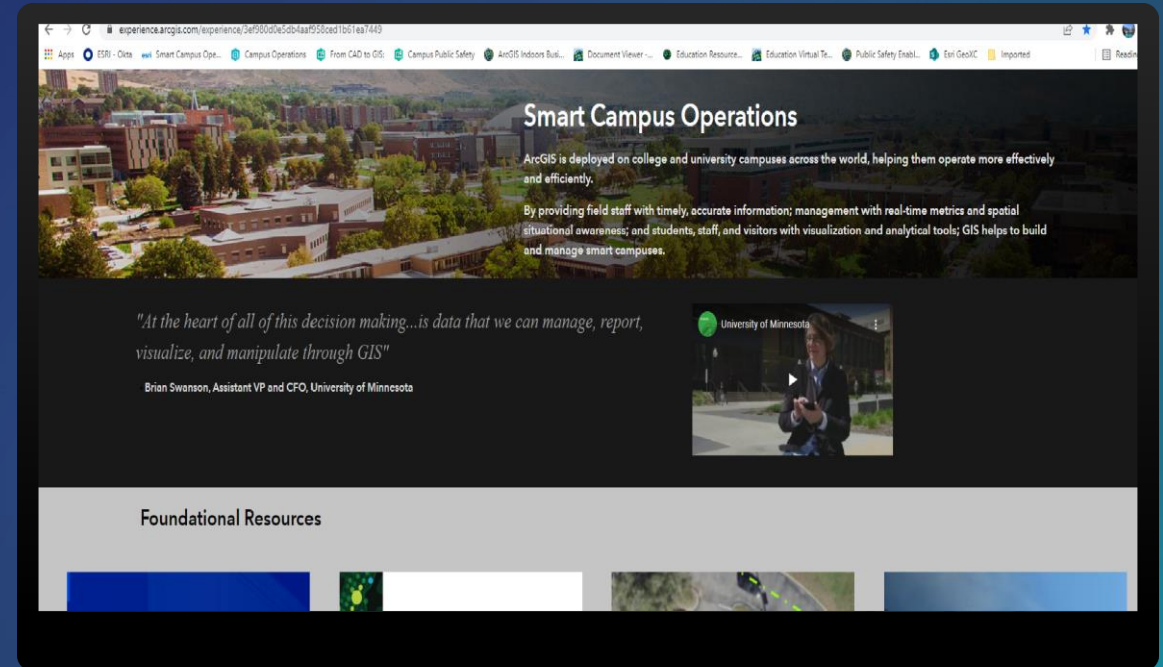

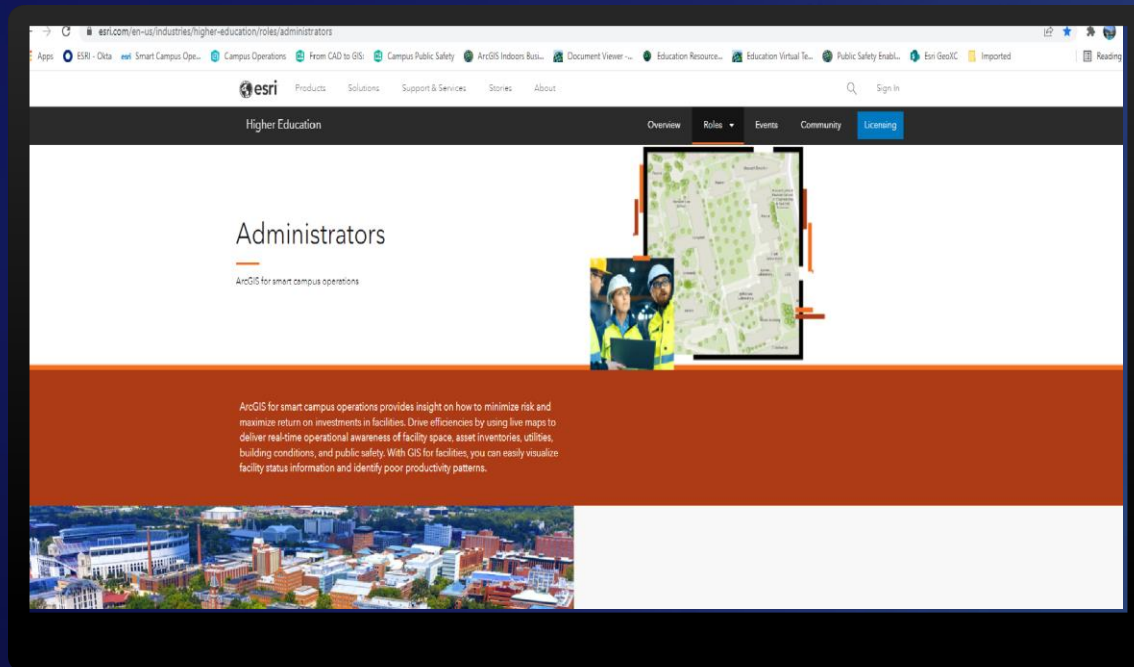

Administrative Organization FAQs

- Is administrative use in an Institutional Agreement unlimited?
 - No. Number of users will depend on the agreement size
- How is ArcGIS commonly used for campus operations?
 - Basemaps, utilities, sustainability, indoor mapping, event management, instructional reporting and more
- How can administrative staff learn to use these tools?
 - Web-based training is included in all license agreements. Instructor-led training is discounted 40%
- Who should I contact to learn more Esri solutions?
 - Contact your Account Manager. They can't wait to help.

Esri Resources

The image features a solid blue background with a subtle gradient. In the center, the text "Esri Resources" is displayed in a clean, white, sans-serif font. The corners of the image are decorated with abstract, overlapping geometric shapes in various shades of blue, green, and red, creating a modern and dynamic aesthetic.
