

Esri Academic Department License Overview

The Academic Department License provides qualified institutions with an affordable way to acquire select Esri products for non-commercial teaching, research, and service.

Qualified institutions include accredited, degree-granting 2-year and 4-year colleges and universities worldwide.

License Benefits

Esri software products provided with this license are listed below.

Also included are technical support, software updates, and access to self-paced e-learning resources.

This offering is available in 3 configurations: up to 5 users, up to 50 users, or up to 100 users. Our objective is to maximize access and flexibility of use throughout your organization at an affordable cost.

For details and pricing about this and other Esri Education licenses, please contact academicsales@esri.com (in the U.S.) or www.esri.com/contact (outside the U.S.).
