

Esri User Conference

July 13-16, 2020 | Join us virtually

ArcGIS Hub and Related Sessions

The Esri User Conference has many virtual presentations and sessions with hundreds of topics covered. To help you find your way to the ArcGIS Hub sessions, we have prepared a more focused agenda.

ArcGIS Hub Expo Hours

Monday, July 13	12:15 PM–4:00 PM
Tuesday, July 14	7:30 AM–9:40 AM and 11:10 AM–3:50 PM
Wednesday, July 15	7:30 AM–9:40 AM and 11:10 AM–3:50 PM

ArcGIS Hub is often used to bring together many ArcGIS products and solutions. This list includes sessions that are highly relevant to the typical ArcGIS Hub use cases of content sharing, collaboration, and community engagement on important topics.

Did You Know? All Esri Courses are AICP Accredited

Certification
Maintenance

To see all the Esri courses listed for AICP accreditation, visit: go.esri.com/AICP

If you attended a UC session and want certification maintenance (CM) credits for it, but don't see it listed at the above link, email us at AICP@esri.com and we will add it. Just make sure to send us the official title, description, and time as listed in the agenda.

All live sessions are in Pacific Daylight Time (PDT).
Please note: All listings subject to change; not every paper or event may be presented here.
