

Esri at DISTRIBUTECH 2020

Geoenabling the Modern Utility

Henry B. Gonzales Convention Center | San Antonio, Texas | January 28-30, 2020

Eos Positioning Systems

Wednesday January 29 – 11:30am – 11:50am in the Esri Demo Theater (Booth #2047)

Presentation Title

Get started with GNSS (aka GPS) for ArcGIS field solutions.

Description

Got confidence? The future of asset management depends on accurate records. Learn how to get started with submeter/cm GPS for GIS fieldwork, including how to pick a GPS receiver, mobile app, and data-collection device. Plus, hear about advanced solutions such as Eos Locate™ for Collector for ArcGIS, a real-time, accurate, underground-mapping solution.
