

## Arxys Server with ArcGIS® Enterprise Workgroup Standard or Advanced Yearly License

*For US Customers Only*

**ArcGIS Enterprise** is a full-featured mapping and analytics platform that includes a powerful GIS server plus dedicated web-based GIS infrastructure to organize and share your work.

- [Features](#)
- [What You Get](#)
- [Functionality Matrix](#)

The ArcGIS Enterprise Workgroup edition is designed and limited to run on a single machine and includes a Microsoft SQL Server Express database. There is a limit of 10 simultaneous desktop connections to workgroup geodatabases. Workgroup geodatabases are only supported on Microsoft SQL Server Express and have a maximum size of 10 GB.

If you do not see the exact server configuration you are looking for, please call your local Esri regional office or Dean Garner at 909-793-2853, ext. 1-4441, for custom solutions.

149541	<i>ArcGIS 4: Sharing Content on the Web Training Course</i> , Three Days, per Person, at Esri	\$2,250

**Installation Option**

Item #	Description	Price
153636	<p><b>The ArcGIS Enterprise Jumpstart – Basic</b> services package provides up to 3 days of on-site installation and configuration support for an ArcGIS Enterprise implementation consisting of Portal for ArcGIS, one ArcGIS Server site and the ArcGIS Data Store on up to 4 customer provided physical servers by 1 Esri Consultant based on a basic implementation and design plan developed prior to the onsite visit. After installation is complete the Esri Consultant will configure ArcGIS Enterprise settings including supported user authentication systems, federate the ArcGIS Server site with Portal for ArcGIS, and designate it as the hosting server. When installation and configuration are complete the Esri Consultant will focus the remaining time on knowledge transfer of standard ArcGIS Enterprise technology topics such as: ArcGIS Enterprise Administration; Creating, updating, configuring and administering Geodatabases; Creating and Working with Services; Sharing Imagery and Caching; Disaster Recovery; Configuring and using your ArcGIS Organization. Customers will first be provided a jumpstart questionnaire to review user requirements, collect inputs for server sizing, and determine any network, security, or environmental changes to be addressed. Following receipt of the questionnaire the Esri Consultant will arrange a follow-up call or webcast to answer questions and review additional information pertinent to the implementation. Using the information gathered up to this point the Esri consultant will develop a basic implementation and design plan including a platform diagram with basic sizing estimates and an implementation agenda to direct the onsite activities. Topics outside the scope of the ArcGIS Enterprise Jumpstart include but are not limited to: Migration of Databases and Applications, Systems Integration, System Architecture Design, Security Review, High Availability, Performance Tuning, and Application Development. The price includes airfare, hotel, car rental, per diem, and other direct costs. On-site support will be provided at a mutually agreed upon customer location during one trip within the United States on consecutive business days during a single work week. By purchasing this service, the customer agrees to Services Packages Terms and Conditions (G-363-D Addendum) which shall take precedence over any other terms and the customer’s purchase order. If not attached, these Terms and Conditions can be viewed on the web at <a href="http://www.Esri.com/legal/service-agreements.html">http://www.Esri.com/legal/service-agreements.html</a>. This services package requires the customer to prepare for Esri’s visit. The preparation requirements are outlined at <a href="http://www.Esri.com/legal/service-agreements.html">http://www.Esri.com/legal/service-agreements.html</a> and all services will be provided in accordance with the requirements and assumptions provided therein. Scheduling will be based on resource availability.</p>	\$15,500

## Terms of Offer

Price is applicable for the United States only, excluding Guam, Puerto Rico, and the Virgin Islands. Price includes shipping and handling costs for the hardware only. Applicable sales tax is not included.
