## Support and Warranty

Dell Precision 7920 Tower Workstation includes a three-year limited ProSupport Plus on-site maintenance warranty for the hardware (next business day response) after remote diagnosis.

## Terms of Offer

Price is applicable for the United States only excluding Guam, Puerto Rico, and the Virgin Islands. Price includes shipping and handling costs for the hardware only. Applicable sales tax is not included.

**This offer is provided only as a bundled hardware/software packaged system.**

## Software Delivery

CityEngine is delivered via electronic download from Esri. Users will receive an e-mail communication with a token that directs them to their Esri Global Accounts. Customers who do not have an Esri Global Account must create one before they can use the token to receive access to downloading software from the MyEsri site. Existing customers who already have access to the MyEsri site can download ArcGIS Desktop. Official media is available on DVD for an additional fee.

Delivery is based on manufacturer availability. In most cases, once all proper paperwork is received as specified above, delivery will occur within 30 days.
