Terms of Offer

Price is applicable for the United States only, excluding Guam, Puerto Rico, and the Virgin Islands. Price includes shipping and handling costs for the hardware only. Applicable sales tax is not included.

This offer is only provided as a bundled hardware/software packaged system.

Order must be received by September 30, 2021.

Support and Warranty

Dell Latitude 7424 Rugged Extreme Tablet include a three-year ProSupport limited on-site maintenance warranty for the hardware (next business day response) after remote diagnosis and a three-year Accidental Damage Service.

Software Delivery

ArcGIS Pro is delivered via electronic download from Esri. Users will receive an e-mail communication with a token that directs them to their Esri Global Accounts. Customers who do not have an Esri Global Account must create one before they can use the token to receive access to downloading software from the MyEsri site. Existing customers who already have access to the MyEsri site can download ArcGIS Desktop. Official media is available on DVD for an additional fee.

Delivery is based on manufacturer availability. In most cases, once all proper paperwork is received as specified above, delivery will occur within 30 days.
