Special Offer from Esri and ikeGPS

Esri is partnering with ikeGPS to offer governments the opportunity to improve their operational efficiency.

With this limited time offer, you will receive the latest ArcGIS® technology and a Spike device, a laser measurement solution from ikeGPS, at no additional cost.

To learn more, visit go.esri.com/EsriSpike-Offer.

 **esri** | THE SCIENCE OF WHERE®

The banner features a dark blue background with a white topographic map pattern. On the right, there is a 3D rendering of a grey vehicle with a white roof-mounted laser scanner. Below the vehicle, there are several inset images: a 3D perspective view of a building with orange laser lines and labels (e.g., 24.0m, 88.0m, 24.0m), a 2D map view, and a mobile application interface on a smartphone screen.

You received this due to your subscription to Local and State Government Announcements.
