Special Offer from Esri and ikeGPS

Esri is partnering with ikeGPS to offer governments the opportunity to improve their operational efficiency.

With this limited time offer, you will receive the latest ArcGIS® technology and a Spike device, a laser measurement solution from ikeGPS, at no additional cost.

To learn more, visit go.esri.com/EsriSpike-Offer.

 **esri** | THE SCIENCE OF WHERE®

The banner features a dark blue background with a white topographic map pattern. On the right, there is a 3D rendering of a smartphone displaying a 3D model of a building with height measurements (36.0m, 88.0m, 24.0m) and a 2D map interface. The Esri logo and tagline are positioned in the bottom left corner.

You received this due to your subscription to Local and State Government Announcements.
