

Esri Water Team Pool Party Sponsorship

Esri UC, July 20-24, 2015
San Diego Convention Center

Esri partners are invited to sponsor the Water Team Pool Party at the Esri User Conference 2015 (Esri UC). The party is one of the largest, most successful, and wettest user events at the Esri UC. Your sponsorship provides invaluable exposure to our customers at the conference, as well as readers of our newsletters. Just one rule: no cannonballs! Let's not soak the clients you're trying to attract.
