## Septentrio Altus NR2 GNSS Receiver

Add High-Accuracy to your existing Android, iOS or Windows Device for more accurate data collection with [Collector for ArcGIS](#)

*For US Customers Only*

The Altus NR2 incorporates leading GNSS and wireless technology into a sleek and compact design. This provides an intelligent Network Rover featuring on-board configuration and extended operation time.

Based on a low-power, small footprint OEM GNSS receiver, the Altus NR2 offers robust RTK for centimeter positioning while consuming less energy, for longer operating time on battery power.

### Altus NR2 GNSS Receiver Product Features

- Small, light and rugged unit
- Battery powered with standard hot swappable batteries for continuous operation
- Scalable positioning from **sub-meter** to **centimeter** level accuracy thanks to its GPS & GLONASS L1/L2 advanced performant GNSS engine
- Ready to work in the most challenging environments
- Collection of Height and GNSS attributes with Collector for ArcGIS
- Fully portable solution working on any mobile device (Android, iOS, Windows) – *please note that iOS support requires the purchase of an additional Bluetooth dongle*
- Receiver provides easy control and monitoring
- Base and Rover functionality all in one with multiple connectivity options

## ESRI QUOTATION TERMS AND CONDITIONS

These prices and terms are valid only for items purchased and delivered within the United States excluding Guam, Puerto Rico, and the Virgin Islands.

This quotation information is proprietary and may not be copied or released other than for the express purpose of system selection and purchase. This information may not be given to outside parties or used for any other purpose without written consent from Esri.

### ORDER PROCESS

The order process is initiated when Esri receives an original purchase order or some form of advance payment. Several additional documents (e.g., credit application, if not using credit card, and tax exemption certificate) are required to complete the order.

**IMPORTANT!** Collectively, these documents contain the authorizations and information necessary to ship proper versions of the software on the correct media. Please return them promptly to avoid unnecessary delays in shipping. Please return all documents by mail or express courier or as otherwise directed.

Please show the following remittance address on your purchase order:

Esri, File #54630, Los Angeles, CA 90074-4630

### DELIVERY

#### FOB ORIGIN

**Software:** Allow 30 days from Esri's receipt of purchase order, signed software license agreement(s), and other documents, as required. Esri software license agreements may be accessed at [esri.com/legal](http://esri.com/legal).

**Hardware:** Manufacturer's terms apply. Lead times depend on make/models purchased.

Standard delivery method is ground or two-day air for software and surface carrier for hardware. Actual delivery method may vary depending on weight. Other service is available for an additional fee (e.g., overnight delivery).

### PAYMENT TERMS

Net 30 days, on approved credit.

### WARRANTY

Warranty and service are provided by manufacturer(s).

### TAXES

Prices quoted do not include applicable sales or use taxes unless so stated. Esri reserves the right to collect sales tax assessed by states as required by law. Esri will add state sales tax to the invoice unless Esri receives proof with the order that your organization is tax exempt or pays state tax directly.

Esri collects and pays sales tax in Alabama, Arizona, California, Colorado, Connecticut, Florida, Georgia, Hawaii, Illinois, Indiana, Kansas, Maryland, Massachusetts, Michigan, Minnesota, Missouri, Nebraska, Nevada, New Jersey, New Mexico, New York, North Carolina, North Dakota, Ohio, Oklahoma, Pennsylvania, South Carolina, Tennessee, Texas, Utah, Vermont, Virginia, Washington, and Wisconsin. In preparing your budget, please allow for applicable sales tax. Esri reserves the right to collect sales tax assessed by additional states as required by law.
